

Church To Get Water, No Sewer

St. Stephen's Lutheran Church will get water service from the village, but will have to temporarily install a septic system for lack of sewer service, it was decided at Tuesday night's village board meeting.

Trustees voted to use village funds to install the water line, with the hope that the money would be regained by the village as other users hooked in to the line. "If we don't run this line now," Mayor Ray Toft pointed out, "the church will have to drill a well. If that happens, I feel it will be a long time before we'll be able to extend our service so that section of the village can develop."

The church will pay its share of the water main extension expense at this time, so that the village will have some help in the financing. The Mayor expressed regret that the sewer line could not be extended also. Special assessment proceedings to finance the sewer line extension are held up in court, and it is certain now that they will be delayed long enough to make it too late to install service to the church before winter.

In the meantime, the church building is completed, but can not be used until water and sewer services are available. With the water

Steal Deer From Yard

A concrete and steel deer which decorated the lawn of Postmaster Joe Wolf was stolen from his yard Thursday night and later found, broken, on the road near his home.

Mr. and Mrs. Wolf live on North Ave. near Antioch. A neighbor, Mrs. Vern White, returning home about 8 p.m., said she saw a dark-colored 1964 Chevrolet convertible parked near Wolf's home. A woman and a man were in the car, she said.

A short time later, she said, she heard the car pull away and heard a crash as though something had fallen from the car. The deer was found on the road, and deputies theorized it had fallen from the trunk of the convertible when it pulled away.

Wolf said the deer weighed about 300 pounds and was valued at about \$100. The figure was broken beyond repair.

main in, it is expected that the Health Dept. will allow installation of a septic system for temporary use.

The new water main will also service homes on Hennings Court. That area now has a community well. The main will be run from Lake St. down Hillside, with a line branching off to Hennings Court.

The hoped-for sewer line would also have served Hennings Court, where a problem already exists at some homes with poorly-functioning septic systems.

Engineer Frank Angelotti was authorized to prepare specifications for bids on the work of the new water main. The bids will be opened at the Oct. 17 board meeting.

Trustee Vern Barnstable reported that while work was being done on a sewer line between Ida and Park Ave.,

paralleling the railroad right-of-way, it was found that the sewer line was leaking and badly deteriorated. The village workmen replaced 380 feet of 8 inch main with a new 10 inch main.

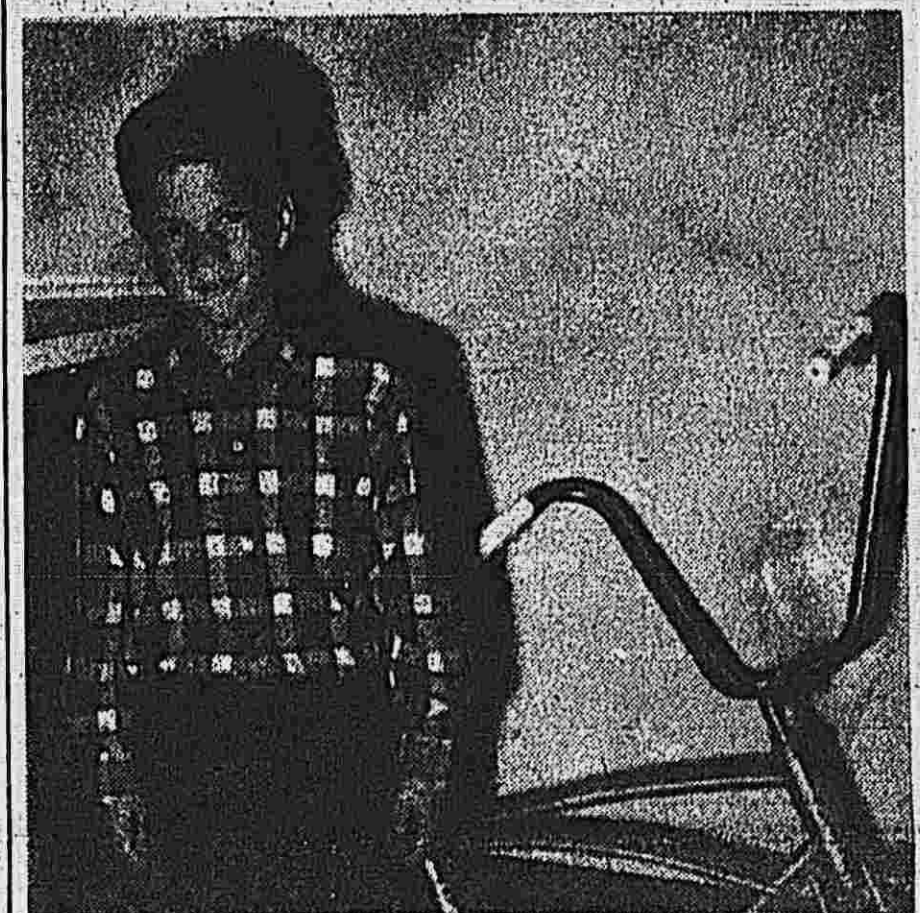

The old main, Barnstable said, had been installed in 1917.

Engineer Frank Angelotti presented to the board members plans for the new polishing pond, to be built adjacent to the sewerage disposal plant. The state ordered that the pond be built, so that nutrient will be removed from the water as much as possible before running the discharge into Sequoit Creek.

The pond will cover four acres, and will be built in three "cells", separated by dikes.

The area will be excavated (continued on page 3)

Eight-Year-Old Claims New Bike

David Wetherbee, 8, with his new bike, won by selling subscriptions to The Antioch News.

Eight-year-old David Wetherbee happily claimed his new bike at the Antioch News office last week, after selling twelve subscriptions to the paper.

Dave chose the Renegade, a favorite with most of the youngsters. He has an older bike at home, he explained, but he wanted a new one.

He is the son of Mr. and Mrs. Glen Wetherbee, Box 238, Silver Lake, Wis. He's in third grade at Holy Name School in Wilmet. He'll

share the use of his new bike, he said, with his younger brother, Jeff, and his sister, Stacy, 9 years old.

Any youngster who wants a new bike can get one as easily as Donald did by selling 12 new one-year subscriptions to the Antioch News. You have a choice of two different models, both on display at the News office.

To enter the contest, just stop in at the News office and pick up a copy of the rules.

Sabonjian Guest Speaker

The Honorable Robert Sabonjian, Mayor of Waukegan, will be the guest speaker at the fall Membership luncheon meeting of the Antioch Chamber of Commerce at noon Thursday, Sept. 28.

The luncheon meeting will be held at Lorenz's Smart Country House at Route 173 and Tiffany Road. Members, non-members and guests are invited to attend.

Mayor Sabonjian is an interesting speaker, well known for his forthright approach to many issues. The subject of his talk for the Chamber luncheon has not been disclosed.

Reservations may be made by calling Jayne Wagner at the Chamber office, 395-3381.

Mayor Robert Sabonjian was born in Waukegan, of Armenian extraction. His father worked for the American Steel and Wire Company for 33 years. The mayor attended Waukegan Grade Schools and graduated from the Waukegan Township High School in 1935. He served in the United States Coast Guard during World War II. After that, he operated his own dry cleaning establishment for 11 years.

His political career began in 1951, when elected to his first public office as Alderman in the City of Waukegan for a four year term. After serving two years of this term, he was appointed to serve as Acting Postmaster for the City of Waukegan for a one year period, which was terminated at this time due to the change of administration in the national government.

In 1955 he again was candidate for Alderman, and succeeded in being elected. After serving two years of this term, he entered the Mayoral Campaign and was elected Mayor of the City of Waukegan in April of 1957. His term expired in April of 1961, at which time he successfully won re-election as mayor. In April of 1965 he broke two records in the history of Waukegan by being the first mayor to be elected for a third term and winning every precinct in the City of Waukegan. This term will expire in April of 1969.

In November, 1966, after receiving much encouragement due to his taking a firm stand against the rioting element in Waukegan, Mayor Sabonjian entered the Senatorial Campaign as a write-in candidate. He did not win, but the 42,000 votes cast for him were a victory for the principles he stands for.

In 1967, Mayor Sabonjian was chosen as Armenian Man of the Year by the Ararat Square Club, a Masonic group in Philadelphia.

The Mayor lives in Waukegan with his wife, Lorene, and their two children, Dana, 14, and Robert, 11.

First National To Open Satellite Bank

The First National Bank of Antioch has announced that construction will start soon on a satellite banking facility to be built in the shopping plaza at Orchard and Hillside.

LaVerne M. Woods, executive vice president of the bank, said the new bank office will serve First National customers with two drive-up windows and one walk-up window. The ease of accessibility of the bank facility, out of the heavy traffic, will be a convenience for customers.

The satellite bank will provide customers with all the customary services — depositing and withdrawing money, cashing checks, making

loan payments, securing money orders and cashier's checks. It will still, however, be necessary to visit the Main St. offices for the making and processing of loans.

Two or three tellers will be on duty at the new facility during the hours it is open.

The satellite bank will be built near the corner of Orchard and Hillside, with a driveway from Orchard serving the drive-up windows. There will be a five-car capacity on the driveway, with pull-off space on one side should more than five cars be in line. In this way, Woods pointed out, no traffic blocking will occur on Orchard. Leaving the drive-up win-

dows, cars may either circle the bank building and exit on to Orchard, or proceed on into the plaza.

It will also be possible for customers coming from the plaza to exit onto Orchard St. by the driveway on the east side of the bank satellite, stopping to transact their bank business on the way.

The building will be 10 feet by 30 feet in size, with red brick exterior to blend with other plaza buildings. A block facing of Vista Tone will finish off the top of the building.

Work on the new construction will start almost immediately, with opening of the facility planned for about (continued on page 3)

Murrie-Murphy Day At GOP Club Outing

Antioch's Representative W. J. Murphy and Township Supervisor Lloyd (Red) Murrie will be honored at the annual Fall Golf Outing and Dinner Party of the Antioch Township Republican Club.

The affair will take place Wednesday, October 4th, at the George Diamond Country Club near Antioch, according to GOP president Eugene Zaninini.

Both men have served the area for many years and now will receive tribute and acclaim from their constituents. Beginning at 9:30 a.m. there will be day-long golf, with scores of prizes for successful attackers of the little white ball, swimming for those who like to get wet and all day amusement in the club house, followed by dinner in the evening, with more prizes.

Capping a day studded with outstanding political leaders from the county and state will be the principal address, to be delivered by former Governor William G. Stratton. His remarks promise to be timely and thought-provoking. Harking back to his previous appearance here in 1965, he warned "the United States is facing serious problems — increasing tensions among the people, organizations and groups — and they could explode overnight."

prophecy come true. He also suggested a referendum to find out "what we're doing in Viet Nam and why we're there in the first place."

His latest thinking is eagerly awaited by his legion of friends, who believe his political sagacity and acuity is second to none.

The third annual presentation of an ELLAphant award will be made to a prominent Lake Countyman who has made an outstanding contribution

to the Republican Party in furthering its principles. The selection will be made this week and his identity will be made public.

Elmer Eberman is ticket chairman and requests for tickets should be made to him. He urges prompt action as requests are brisk and sales will be limited to the capacity of Diamond's. The last affair was a complete sellout. This one promises to repeat.

Envelopes Proclaim Town's Support Of War Effort

Residents of Antioch can now get envelopes declaring this town's support of the war efforts, thanks to some work by Postmaster Joe Wolf, Harry Brehen and Howard Gaston, plus the cooperation of the Lake County Philatelic Society.

The special envelopes are an offshoot of Project Viet Nam, although in no way connected with it financially. The envelopes can be bought at cost at the Antioch News office for 1c each. They were printed by Howard

Gaston Printers for Brehen and Wolf at cost.

The envelopes carry a two-color picture of three servicemen reading their mail. Beneath the picture is a message "Antioch is proud of the United States Armed Forces".

The idea for Antioch personalized envelopes developed from a chat between Harry Brehen and Jim Kocmoud of Antioch. Jim is a member of the Lake County Philatelic Association. They have for some time been using envelopes carrying a picture of servicemen, plus a message, "We Back Our Servicemen in Viet Nam 100%".

Harry secured the permission of Howard Shaughnessy, Jr., an officer of the Philatelic Assn., to use the picture on Antioch envelopes. Shaughnessy, in fact, volunteered the use of the plate of the picture for the printing. Howard Gaston printed the envelopes at cost, and they are now available to anyone

who wishes to purchase them. Brehen and Wolf stress that none of the money donated to Project Viet Nam has been or will be used in this latest patriotic project, nor will anyone make any profit from the envelopes.

A new name has been added to the list of Antioch servicemen now in Viet Nam — that of SP-4 William L. Jones. Packages are again being mailed to all Antioch servicemen in Viet Nam this week, with the packing being done by post office personnel and their wives.

A letter was received at the post office last week from Byron D. Bradley who has been receiving some of the packages. As the letter was written Sept. 9, Byron may be home by now.

He wrote: Dear Mr. Postmaster: I thought it about time to write you a letter to let you know that I really appreciate what you and the people of (continued on page 3)

Night School Starts at ACHS

Adult evening classes will begin September 25 at Antioch Community High School. All classes will run from 7 p.m. to 9 p.m., one day a week for ten weeks. Classes will operate on Mondays, Tuesdays and Wednesdays.

Anyone interested may register at the high school from 7:30 a.m. to 4 p.m., September 18 through September 22, or from 7 p.m. to 8:30 p.m. on Thursday and Friday, Sept. 21 and 22.

A minimum enrollment of ten students per class will be necessary for the class to become operational. Tuition for all classes except Short-hand will be \$10 plus \$1.00 for administrative fees. Short-hand tuition is \$15, plus \$1.00, and is held two days a week.

Classes offered include: Bridge, Beginning Art, Intermediate Art, Books and Coffee, U.S. Foreign and Domestic Policy, Conversational Spanish, Physical Fitness and Recreation, Ballroom Dancing, Beginning and Intermediate Typing, Business Machines, Gregg Shorthand, Basic Bookkeeping, Beginning Sewing, Intermediate Sewing, Home Furnishing and Decoration, Rapid Reading,

Mechanical and Architectural Drawing, Preparation for General Educational Development Examination (in lieu of high school diploma), and Preparation for Citizenship.

The Bridge Champs get their trophies, presented by chairmen of the Bridge Match committee. Left to right, Dr. James Kopriva, champions Mr. and Mrs. Elmer Eberman, and Larry Ryan.

Bridge Champs Gel Trophys

Antioch's Champion Bridge players finally received their trophies at a Lions Club dinner meeting last Monday night at Lorenz's Smart Country Club.

Mr. and Mrs. Elmer Eberman were the winners of the bridge contest, held last spring. Winners of the second-place trophy, Dorothy Olson and Marge Beitzell, were not able to be present for the dinner.

A trophy was also presented to Mrs. Frances Reeder and Mrs. Elaine Wojnowiak, winners of the consolation round.

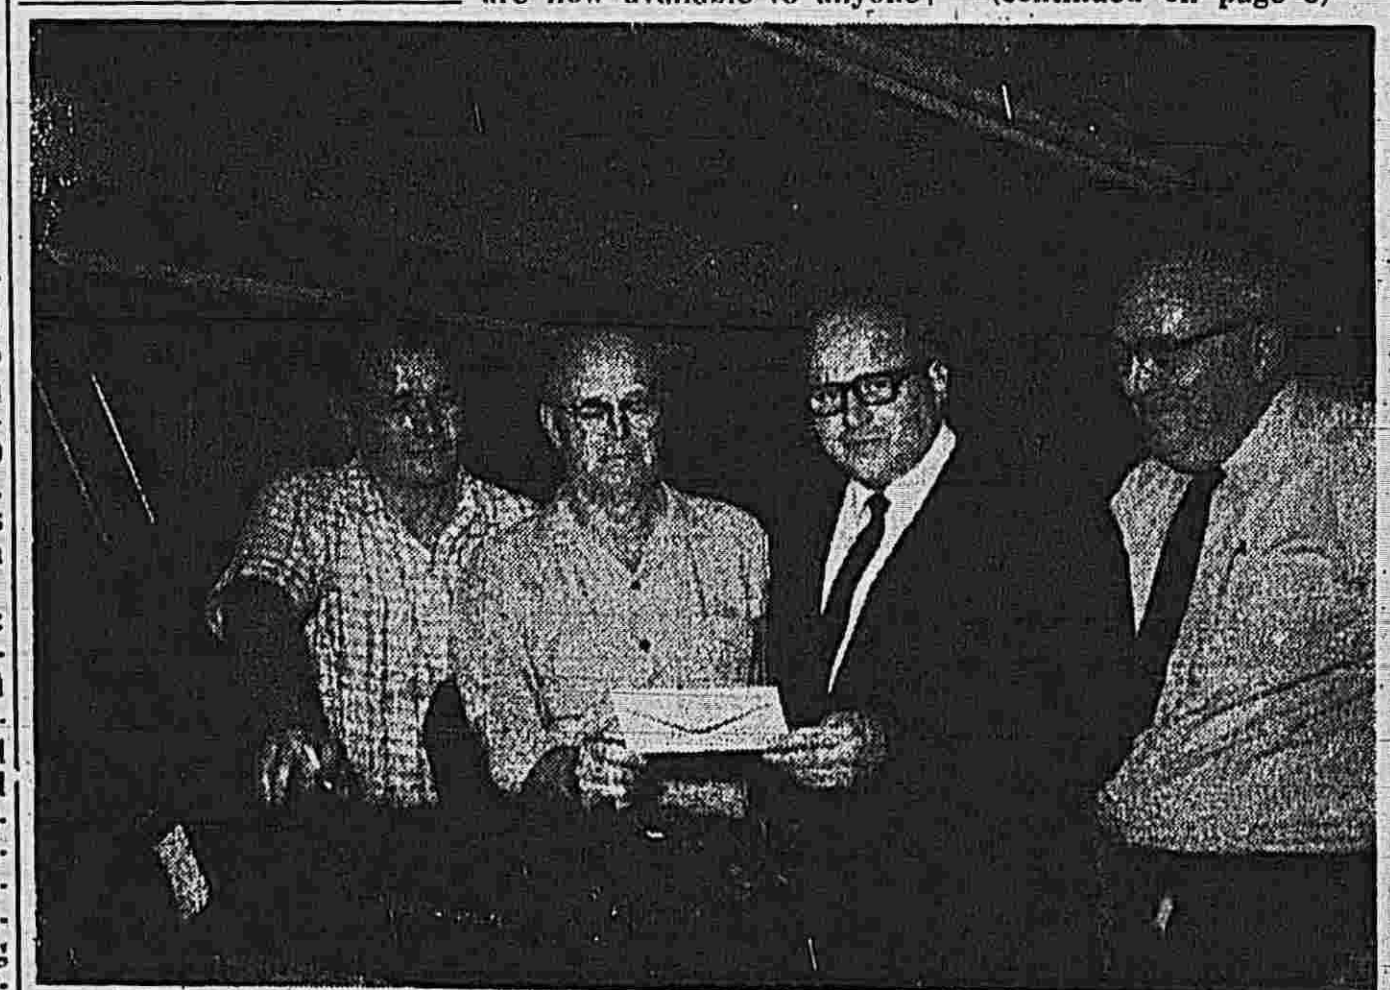

Dies While On Vacation

Thomas W. Pechousek, 63, of Linden Lane near Antioch, died suddenly of a heart attack last Friday at Asheville, North Carolina, where he was vacationing with his wife, Marian, is the owner of Marian's Dress Shop in Antioch.

Mr. Pechousek was born February 17, 1904, in Chicago and had resided at Baltimore, Maryland, before moving to Antioch. He was a member of St. Peter's Church in Antioch and the Holy Name

Society, also a member of St. Vincent DePaul society of the church. He was a member of St. Peter Council No. 3800 of the Knights of Columbus and Bishop Quarters General Assembly 4th Degree Knights of Columbus of Lake County. He was a motion picture operator and a member of their union.

He is survived by his wife, Marian; one daughter, Mrs. Elizabeth (Robert) Knourek of Lake Villa; one brother, Ted Pechousek, of LaGrange, and three grandchildren. A requiem mass was held at 2 p.m. Monday at St. Peter's Church in Antioch. Interment was in Mt. Carmel Cemetery at Antioch.

Admiring Antioch's new contribution to support the war effort. Left to right, Bud Biller, Howard Gaston, Postmaster Joe Wolf and Harry Brehen.

Not Fit To Drive

A grand jury hearing evidence in the traffic deaths of ten persons in a Downers Grove collision has found the State lax in permitting one of the drivers involved in the collision to have a drivers license.

The driver found to have caused the accident, it was discovered, was intoxicated at the time of the collision. Tests made after his death proved it.

The man had a long record of traffic offenses, including a one-year suspension of his drivers license for drunken driving. Yet in spite of his frequent offenses, his license was automatically returned to him at the end of each penalty period.

It would be comforting to think this man was a rare case, that there are few drivers on the road like him. We all know that that isn't true.

The roads are infested with drivers who have been proven unfit to operate a motor vehicle by repeated offenses. These are in addition to the many who "get away with it" and escape a traffic ticket.

Yet, after a comparatively short period, their drivers licenses are returned to them. They are again loosed upon an unwary public, too often to kill and maim.

If there is any effort at the State level to weed out the repeat offender it is not apparent. Why not?

One reason may be that the majority of people fear such action by the office of the Secretary of State. Perhaps they're afraid that a combination of circumstances may cause them to lose their license, with the resulting inconvenience and perhaps loss of job.

If the public seriously demands that traffic laws be enforced, and refuses to re-elect a Secretary of State who is lax in the administration of his duty, one serious traffic hazard will be removed from the roads. The repeat offender, and particularly the drunken driver, is too often the cause of traffic fatalities to be gently treated.

Potential murderers can not be handled with kid gloves if we are to make any serious attempt to cut down needless slaughter on the nation's highways.

Courthouse Notebook

BY LOU DUKIN

It takes a while to realize that he is really growing up and going away and that when he comes home for the first holiday vacation he will have changed more than just his clothes style or his outward appearance.

There are certain tell-tale signs along the way that he is no longer a cute little kid in a Davey Crockett coonskin hat and fringed jacket and pants.

There was the time you planned on a few more shaves out of the aerosol can, but found it empty. There was the sudden change in plans because he had spoken earlier for the car.

And there was the shattering experience the first time he lighted up a cigarette in your presence with an uncertain bravado and a tremulous skill that told you it wasn't the first he had smoked.

But these were just passing phases similar to those he had been going through ever since joining the family, or so you tried to tell yourself.

Now, though, he was packing his bags and trunk and was going off to college.

The model airplanes and ships were crowded out by books, records, the inevitable portable radio and even his own shaving kit.

You try to tell yourself that sons and daughters leave for college regularly and that it's not really an earth-shaking incident, but this case is unique, you're sure.

Even the normally pesky kid sisters are subdued and casually lend a hand with the packing and last minute errands, making feeble jokes and then ducking quickly out of the room to return in a few minutes red-eyed and with needle sharpened once again.

You get to wondering if he is ready, if maybe he shouldn't wait awhile so you can have those talks you were always going to have, but somehow never got around to having.

You wonder if you did the job you were supposed to do to prepare him for this new life he is about to enter and you remember the times you brushed aside questions because you wanted to finish the paper or the end of an unimportant television program.

You try to recall some understanding sessions with your son like those television families have, but you know there weren't too many and you wonder how badly you have failed in the role of a Father.

The shoving aside of a trophy, the uncovering of a near-forgotten medal, the re-reading of a citation, or the recollection of a conversation with a teacher or an employer brings things back into focus.

There is the realization that he turned out alright after all, in spite of your own shortcomings in the parent-leader category.

So the final farewells are said, the last admonishments from Mom are dutifully accepted and stored away, in that mysterious mental cache kids have for parental warnings and it is time to leave.

Inasmuch as Pop is driving him to school there is a silent promise that somewhere along the line we will have that long talk.

After all there is probably a lot he can tell Dad about

the birds and the bees.

The annual Joe Welch Day golf outing at Biltmore Country Club in Barrington last week drew some top political names as usual with gubernatorial candidate's Richard Ogilvie and John Henry Altorfer drawing top billing.

Members of the Antioch Township Republican Club who are sponsoring a joint outing for Antioch Township Supervisor and County Board Chairman Lloyd (Red) Murrie and State Representative W. J. Murphy will have to hustle to provide some more imposing Republican names.

The outing is set for Oct. 4 at George Diamond's Country Club, but Herb Horton and cohorts must have been embarrassed about the cost because they left the price of the tickets off the posters.

Former Resident Dies in Missouri

Mrs. Joan Yvonne Steiner, of Lees Summit, Missouri, the daughter of Dr. George W. and Lily Boudro Jensen of Antioch, passed away Wednesday, Sept. 13, at 10 p.m. in St. Luke's Hospital at Kansas City, Missouri, after a short illness.

Mrs. Steiner had lived in Antioch until she attended college, having attended grade school and high school in Antioch. She attended Northwestern University for two years, graduated from Rollins College in Florida, attended Stanford University, in California, and Unity School of Christianity, where she became ordained as a minister of the Unity Church.

Private funeral services were held at 2 p.m. Tuesday, with the Rev. Donald Cobb of the Antioch Methodist Church officiating. Interment was in Hillside Cemetery at Antioch.

Name Stahmer To Jr. College Drive

Fred H. Stahmer, Jr., 1916 Osmond Ave., Antioch, has been named Community Campaign Chairman for Antioch Township for the Lake County Junior College referendum October 7. Stahmer was appointed by General Campaign Chairman George H. Lawton of Round Lake.

Judge Lawton explained that the campaign will be conducted door-to-door in every community within the proposed Lake County Junior College District, which comprises all public high school districts in Lake County, except those involving Lake Forest, Lake Bluff, Deerfield, Highland Park, Barrington, and Adlai Stevenson, covering portions of Elia and Ver-

non Townships. Pointing out that a junior college here would serve a number of local needs, Judge Lawton said that such an institution would offer college courses for students who prefer to remain at home for their first two years of college, and technical or vocational courses for those who want to improve their vocational skills or train for new jobs. Evening college and vocational classes would be provided for adults.

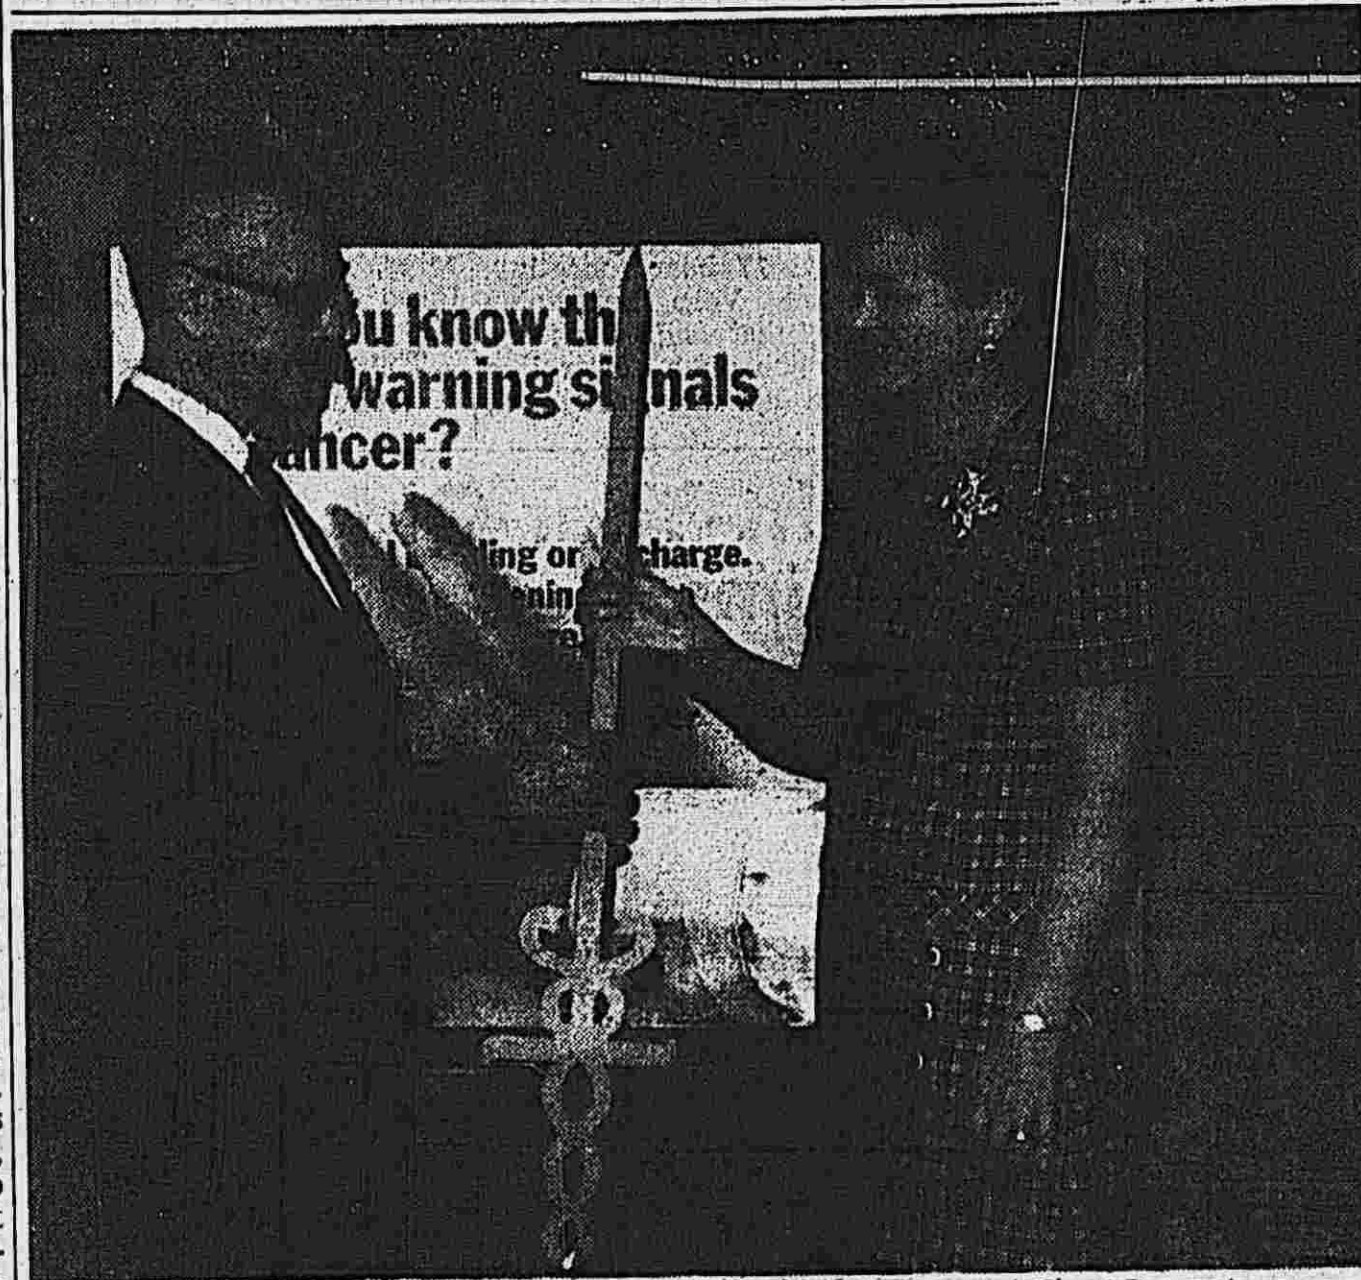

Classes in the new Lake County Junior College could begin in the fall of 1968 in "shared facilities" — classroom, borrowed or rented from cooperating school districts, Judge Lawton said.

Projections are for an enrollment of about 940 full-time students during the Junior College's second year of operation. An enrollment of more than 1,000 within five years is expected.

Though a campus site has not been specified, plans call for a selection near the center of the county, within easy driving distance of every Lake County community.

Tuition for a full-time student is expected to run about \$250 annually, according to Judge Lawton. A large share of the cost of operating the Junior College would be borne by the State, with about one-third coming from local taxes. Other sources of revenue would include Federal funds, private grants, donations, endowments, and funds from foundations.

The October 7 referendum (Continued from Page 2)

Dr. H. R. McCall, Lake County chairman of the Cancer Fund Drive, has named Mrs. William Brook chairman of Area Four, including Antioch.

DEATH NOTICES

PHILLIP VELLEGAS

Phillip Vellegas, 59 years old of Paddock Lake, Wis., passed away Friday, Sept. 15, at 2:15 a.m. in Burlington Memorial Hospital at Burlington, Wis., after a brief illness. He was born Feb. 2, 1908 in Chicago where he resided until moving to Paddock Lake in 1959. He retired in 1965 as owner and operator of gasoline filling stations both in Chicago and Paddock Lake.

Survivors are his wife, estate; three sons, Phillip Vellegas, Jr., and Robert Vellegas, both of Chicago, and Wayne Vellegas, Paddock Lake; two daughters, Mrs. Elaine (Robert) Jaworski, Chicago, and Mrs. Sandra (Ken) Parker, Wauconda, Ill., and ten grandchildren.

A requiem mass was held at 11 a.m. Monday at St. Francis Xavier Church in Brighton, Wis., where the Rev. George Beitzinger of that church officiated. Parish vigil was held at 8:00 p.m. on Sunday. Friends were able to call at the Strang Funeral Home in Antioch after 7:00 p.m. on Saturday. Interment was in St. Francis Xavier cemetery at Brighton, Wis.

to a depth of about five feet, Angelotti said. The discharge from the disposal plant will be run into the first cell, progressing through the second and third cells to the point of final discharge into the creek. Supposedly, this will provide a five-day period for the water to remain in the pond so that nutrients will settle out.

PROCLAIMS POSTAL SERVICES DAY

At the request of Postmaster Joe Wolf, Mayor Raymond Toft signed a proclamation declaring Friday, Sept. 22, as Postal Service Day, and calling on "all citizens of the City of Antioch to join in observance of this day during which we may pay tribute to Postmaster Joseph Wolf and his employees as well as all postal employees everywhere in these United States who daily perform many thankless and unrecognized tasks that benefit us all."

BICYCLE PROBLEMS

Police committee chairman Arthur Meierdick asked for clarification of the laws governing bicycles on sidewalks. There have been many complaints, he said, that reckless riding of bicycles on sidewalks in the business area were creating a hazard for people coming out of stores.

Trustees agreed that advising the children to ride in the street created a dangerous situation for the bicycle riders. It was suggested that they might be forced to walk their bikes through town, but it was pointed out that this could make it impractical for them to ride their bikes.

Sergeant Jack Davis, Meierdick said, had asked that the law be clarified, so that he could advise school children of the rules in coming talks at schools.

The board also suggested that license plates for the bikes should be instituted at a nominal fee. It would make it easier to identify lost and stolen bikes. The police department has been supplying stickers for the bikes at no charge, for this purpose, but the stickers wash off.

SIDEWALK REPAIR

Trustee Vern Barnstable reported that several broken sidewalks in the village had been repaired. Work will now start, he said, on the sidewalk from the corner of Williams St., just south of the library, to the Antioch Grade School. Several sidewalks on Ida and on Park will also be repaired.

CIVIL DEFENSE

Trustee Richard Burnette announced that Superintendent of Schools Ray Page had invited Antioch's Civil Defense Director Edward Frazier and board members, firemen, etc., to attend a disaster training course at Libertyville High School October 3 from 7:30 to 10:30 p.m. This being the night of board meeting, trustees will be unable to attend. Frazier and other interested personnel were authorized to attend.

There was discussion of the extension of water and sewer service to several homes on Route 83 south of Route 173, including Faith Lutheran Church. The properties will be annexed into the village as the services are made available.

Request for a partial permit to build a basement this fall on property in Oakwood Knolls, with further construction scheduled for spring, was denied. Trustees said trouble had been encountered in a few instances where such permits had been issued.

Permission was given to the Antioch chapter of the Rainbow Girls to paint new warning signs on crosswalks. The work would be done in the early morning hours of October 20.

It's easy to place a classified—just call 395-4111.

When the packages would arrive, it seems like quite a few of the others knew I had a package, and after a few of the packages arrived, they knew where they were from. Those boxes of chicken and beef broth were really a hot item. They didn't last very long, especially when we had to work during the nights. The books have been read and passed on to others. The Kool-Aid used to be a handy item to have around until the milk plant was completed here in Danang. Now we have fresh milk to drink with our meals. We even have fresh ice cream every once in awhile.

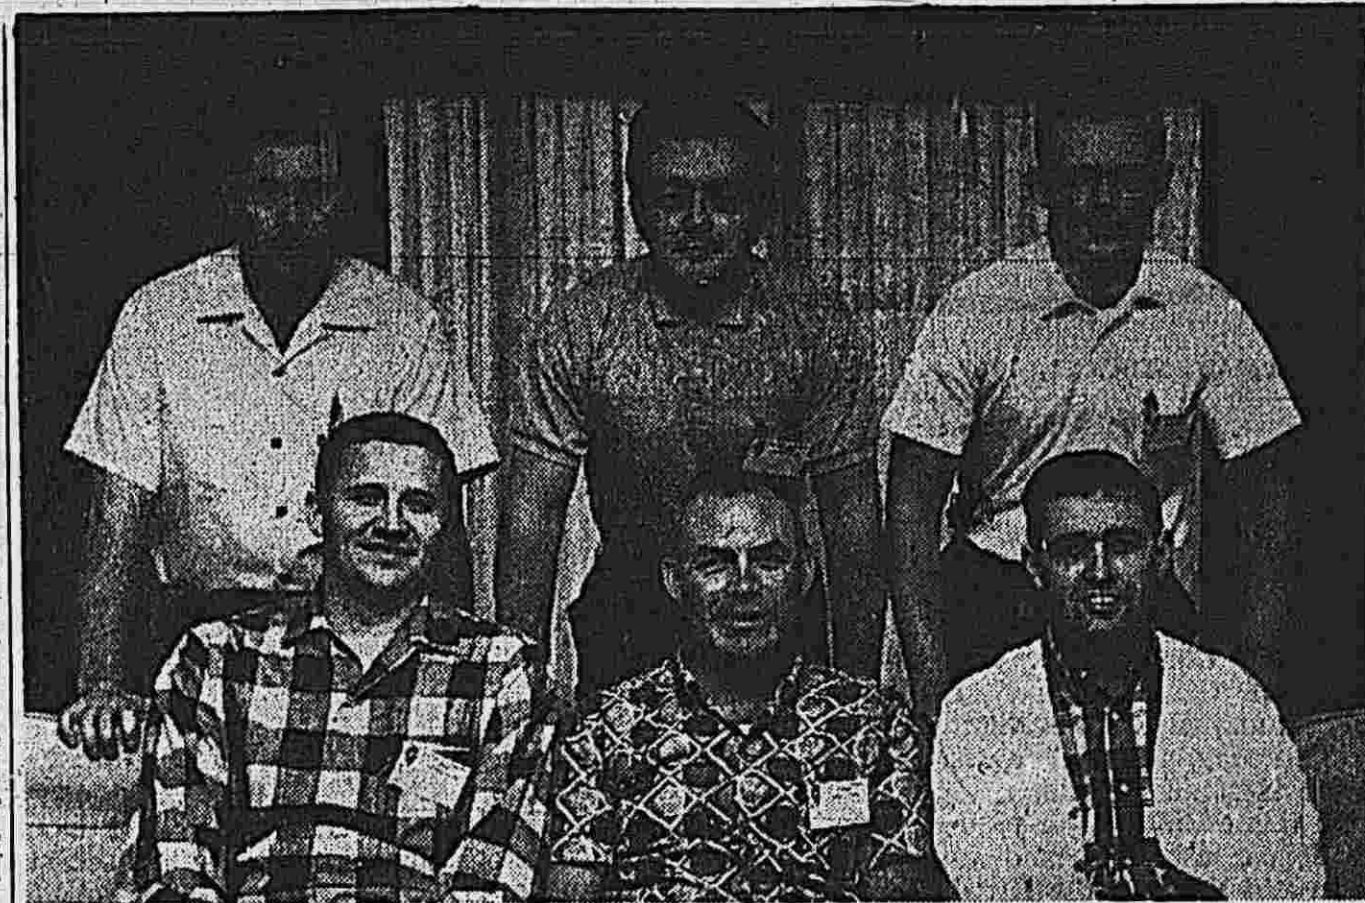

By the time this letter reaches its destination, I should only be a few days behind because I am scheduled to leave next week. My year's tour of duty is almost finished and I will be glad to leave.

Again I wish to thank you and all the others who took part for sending over all those packages. It sure was good for the morale.

Sincerely,
Byron D. Bradley

A letter from Postmaster Joe Wolf also went to Viet Nam this week, thanking Frank Wais, the Antioch soldier who sent a plaque to the people of Antioch thanking them for the benefits of Project Viet Nam. The plaque is on display in the post office lobby, along with the pictures of Antioch servicemen and other displays.

It's easy to place a classified—just call 395-4111.

Two Antioch men were among 149 junior bank executives attending the Illinois Bankers School at Southern Illinois University. Left to right, seated, Alan Meyer, McHenry State Bank; James Hodges, State Bank of Woodstock; and Preston Reckers, Jr., State Bank of Antioch. Standing, Walter Daniels, First National Bank of Antioch; Robert Russell, American National Bank and Trust Co., Waukegan, and Edwin J. Becker, Jr., McHenry State Bank.

To Celebrate 39th Anniversary Of Ordination

Fr. Alfred J. Henderson will celebrate the 39th anniversary of his ordination as a priest Sept. 22. The Rev. Henderson has served 16 years at St. Peter's Church in Antioch, coming to the community in December, 1951.

College Night At Antioch High

Antioch Community High School announces its annual College Night will be held on Tuesday, October 3, commencing at 7:30 p.m. in the school cafeteria. All interested students, juniors, seniors and their parents, are invited to meet with representatives from about 20 colleges.

Night, discussions by the Guidance Director, E. L. Kurek, will be conducted in room 106 to clarify college application procedures and review the preparation of the Parents' Confidential Statement.

Practice Starts On "Brigadoon"

Practice has already begun at Salem Central High School on the musical "Brigadoon," an all-school affair under the direction of Terry Havel, with the assistance of Edward Stevens and Keith Lunde. The cast has been chosen and first practice began on Monday.

The school was very successful in producing "Lil Abner" last year, and prospects for this new production seem as good if not better.

The major cast is Ken Benkstein, Gary Daniels, Betty Klemko, Stacy Turner, Mike Burke, Mike Tremonte, Tom Hanson, Mike Wagner, Mike Jefferson, Cherrie Winfield, Don Symonds, Heather Norton, Richard Glover, Don Kempf, Pat Olsen, Dean Wood, George Grabiec and Becky Greslik. In addition, numerous townspeople have a line or two in the play.

LESSONS FOR SQUARE DANCERS

The Lake Promenaders Square Dance Club is sponsoring lessons for new dancers to be given at the Grayslake High School cafeteria.

The first lesson, which will be free, will be held at 8 p.m. Tuesday, Sept. 26. The entire course will cover 15 weeks.

Refreshments will be served.

Name Stahmer....

(continued on page 3)

proposes a MAXIMUM tax rate of 19c for each \$100 of assessed valuation, including both building and operation costs. (Assessed valuation in Lake County is 55% of "fair" or market value.) Less than 5c per \$100 of assessed valuation would be needed the first year, with gradual increases to about 14.7c in the next six years, Judge Lawton said.

Experience at more than 700 junior colleges in the United States shows that few facilities are used as much as a junior college. It can be operated year-round as an educational and cultural resource. Though a four-year college would be desirable in Lake County, Judge Lawton reported, the State has announced that there can be no senior college here until a junior college has been established.

Permanent-press? Keep it in shape with the gentle, radiant heat of a modern electric dryer.

Fabulous fabrics. Wash-and-wear. Permanent-press. That's the way styles shape up today.

But if you're going to wear the latest, shouldn't you have the most modern kind of clothes-dryer, too? One that's equipped to handle even the newest wrinkle in fashion?

You bet. And that one's the electric dryer. Electric dryers surround clothes with gentle, radiant heat—the same kind you get from the sun.

Except that you control it, to get just the amount of heat you need. No hot spots, no harsh overdrying, no fumes, no grayed whites or faded colors.

Best of all, electric dryers are designed to dry at the temperature manufacturers recommend for best results with wash-and-wear and permanent-press.

So whatever shape your laundry's in, keep it that way—electrically.

Mr. and Mrs. William Seemann

Wed In Chapel In Monroe, Wis.

Miss Mary Jean Baehler and William H. Seemann, both teachers at Antioch Community High School, were united in marriage in an evening ceremony in the chapel of St. John's United Church of Christ in Monroe, Wis., Sept. 1.

The Rev. Calvin P. Fisher performed the marriage service. The bride was given in marriage by her father in a double ring ceremony.

The bride is the daughter of Mr. and Mrs. Alfred Baehler of Monroe, Wis. The groom is the son of Mr. and Mrs. Carl H. Seemann of Lake Zurich, Ill.

The bride designed her own wedding gown and it was made by a well-known dress designer, Virginia Feister of Lake Forest. The neckline of the white poe

de soie street-length sheath was trimmed with Alencon lace and pearls. A matching street length coat completed the ensemble. A shoulder-length veil of silk illusion was attached to a regal crown of pearls and sequins. She carried white orchids and cymbidium orchids.

Miss Gayle Dene Nicholas was maid of honor. She wore an aqua street-length sheath of poe de soie. Her headpiece was a Dior bow with matching aqua veiling, and she carried a bouquet of pink pompons.

Carl C. Seemann, brother of the groom, served as best man. The ushers were Frederick, Robert and Edwin Baehler, brothers of the bride.

Special music was provided by Cathy Gempier of Monroe at the organ.

A reception for fifty guests was held at the home of the bride's parents following the ceremony, and a reception for 100 guests was held at Lorenz's Country House in Antioch on Sept. 10. At the latter reception, Mrs. William Lawton served punch, Mrs. Arlene Molinaro, cake, and Mrs. Glen Schmid poured coffee.

Mr. and Mrs. Seemann honeymooned at the Wagon Wheel in Rockton. After October 15 they will be at home in their new home at 649 Longview Drive in Antioch.

The bride is a graduate of Wisconsin State University at Whitewater, Wis. The groom received both his B.S. and Masters degree at Western Illinois University.

ST. PETER'S ALTAR & ROSARY

The first Altar and Rosary meeting of the new season was held Monday, September 11th in the Blue Room. Fifty-seven ladies were in attendance.

The Sisters and members of the faculty were introduced and a question and answer session was held. Father McGovern also sat in on the meeting.

August and September birthdays were honored for the following: Pearl Roach, Helen Gutowski, Jessie Padock, Peg Harrison, Irene Bednar, Florence Morin and Jeannie Needham.

Refreshments were served by the officers and committee: Shirley Gutowski, Kathryn Wells, Vi Walsh, Pat Schreiber, Diane Starkey, Cathy Haley and Ruth Reband.

FORMER RESIDENTS VISIT FRIENDS HERE

Mr. and Mrs. Vern Runyard of Tucson, Arizona, called on friends here last Wednesday. They had been visiting Mr. Runyard's brother and family at Grayslake. Mrs. Runyard (Dorothy) was a linotype operator at The Antioch News for several years before they moved to Arizona.

THURSDAY, SEPT. 21, 1967 THE ANTIOCH NEWS 4

Friends Night At Antioch OES

Antioch Chapter No. 428, Order of the Eastern Star held its annual Friends Night on Thursday, September 14, at the Masonic Temple.

On this evening each regular officer asks a friend to sit in and perform the ritual work. Most of the friends were of Antioch Chapter unless stated otherwise. Those serving were: Mildred Johnson, worthy matron of Campbell Chapter, worthy matron; Sture Johnson, worthy patron of Campbell Chapter, worthy patron; Sally Peterson, associate matron of Easter Chapter, associate matron; Thomas White, associate patron of Easter Chapter, associate patron; Lillian Gaa, grand lecturer and instructress of Antioch Chapter, secretary, Wayne Polsgrove, past patron, treasurer; Dora Phelps, conductress of Waukegan Chapter, conduc-

trix; Martha Hunter, past matron, associate conductress.

Joseph Parfitt, past patron, chaplain; Harold Wilson, past patron, marshal; Harriet Davis, past matron, organist; Elsie Hays, Adah; Marguerite White, grand lecturer of Easter Chapter; Ruth; Betty Vanderkloot, Esther; Bonnie Evanson, Martha; Janice Vesely, past matron, Electa; Josephine Kirschbaum, past matron, warder; Walter Schreiber, past patron, sentinel; Clarence Larson, past patron, color bearer; and Dorothy Drinkwater, grand lecturer of Wheeling Chapter, Soloist.

Those dignitaries escorted and introduced were Grand Lecturers, Guest of Honor, Grand Chapter Committee members, Worthy Matrons and Patrons, Past Matrons, and members of Campbell Chapter.

Marion Kleven was surprised to find that she was the Guest of Honor for the evening and when introduced was presented with a bouquet of red carnations. Other members who were honored with arm bouquets of roses were Carrie Pauli, worthy matron; Mildred Johnson, guest worthy matron; and Lillian Gaa, Grand Lecturer.

Carrie and Herb Pauli, worthy matron and worthy patron, presided during the business meeting. The evening was saddened with the announcement of the loss of a member, Frances Van Horn, and the altar was draped in her memory.

A social hour was held following the meeting in the dining room. Janice Vesely was chairman of the refreshment committee and decorations.

The next meeting of the chapter will be held September 28 and will be Past Officers Night.

Where The Boys Are

E/4 Thomas W. Solar, Antioch, who has been stationed at Guantanamo Bay for the past year, expects to be back home in Antioch on leave about October 1.

After his leave ends, he will be shipped out on a missile ship.

Tom is the son of Dr. and Mrs. Charles Solar of Antioch.

HOMESTEAD, Fla. — Staff Sergeant John R. Woolner, son of Mr. and Mrs. Donald C. Woolner, R. R. 3, Antioch, has received the U. S. Air Force Outstanding Unit Award at Homestead AFB, Florida.

Sergeant Woolner, an illustrator, earned the award as a permanent decoration while a member of the 31st Tactical Fighter Wing.

The wing was cited for overcoming many complex problems in deployment from Homestead to Southeast Asia and for its distinctive accomplishments in Viet Nam.

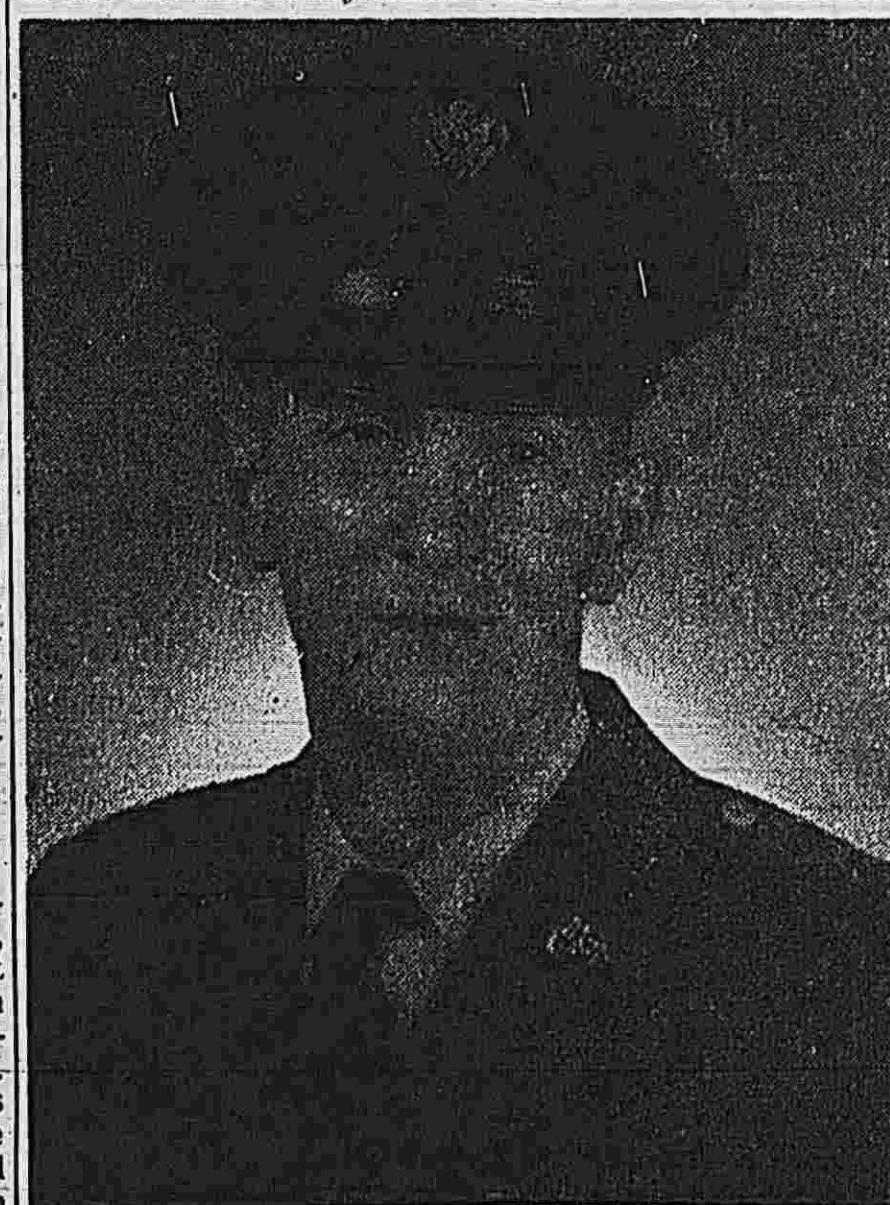

The Sergeant, a 1957 graduate of Antioch Community High School, entered the Air Force in 1958.

Sergeant Woolner's wife, Patricia, is the daughter of Mr. and Mrs. Howard L. Rodney of Trevor, Wis.

Sp/4 Lawrence E. Jesse, Antioch, was recently promoted to sergeant. He has served 6½ months in An Kye, Viet Nam, with the First Cavalry Division.

Larry received his promotion after returning from a one-week leave in Honolulu, Hawaii, where he was met by his wife, Judy, who spent a week with him. His wife is the former Judy Haase of Antioch.

Larry is a graduate of Antioch High School and the son of Mr. and Mrs. Harry Jesse.

Sp/4 Lawrence E. Jesse

Officers of the Doctors Assistants Assn. are installed. Left to right, Mrs. Edith Holter, corresponding secretary; Mrs. Maxine Handrick, recording secretary; Mrs. Maibeth Bolen, treasurer; Mrs. Jan Krumm, R. N., vice president, and Miss Esther Bauroth, president.

Medical Assistants Elect Officers

Officers of the Lake County Medical Assistants Association for the 1967-68 term were recently installed during candlelight ceremonies in the Parkway restaurant. Officers for the next year are Miss Esther Bauroth, president; Mrs. Jan Krumm, R.N., vice president; Mrs. Maibeth Bolen, treasurer; Mrs. Maxine Handrick, recording secretary, and Mrs. Edith Holter, corresponding secretary.

The organization held its monthly educational meeting at 7:30 p.m. Sept. 20 in Victory Memorial Hospital, Lieutenant Commander Alvin Harrison, NC, USN.

Dahlia Show This Week-End

The Chicagoland Dahlia Show will be held the weekend of September 23 and 24 at Ford City, on Chicago's South Side. The Show is staged by the Southtown Dahlia Club, now celebrating their 30th anniversary.

Sigurd Hedberg, 76 Third Ave., Rt. 5, Antioch, is a member of the Southtown Dahlia Club.

The exhibit opens at 12 noon Saturday and closes at 5:30 p.m. Hours on Sunday are from noon to 5 p.m.

showed slides and discussed her tour of duty at the Navy Hospital in Saigon, Vietnam.

RELIGION CLASS STARTS THIS MONTH

All students attending public grammar schools are asked to register for religion class at St. Peter School on Saturday, September 23, from 10 a.m. to 11 a.m. There will be no class on the 23rd. Class sessions will begin on Saturday, September 30, and will meet every other week from 9:30-12:00.

ROYAL NEIGHBORS SCHEDULE CONVENTION

The Royal Neighbors of America will hold their Lake County convention at the American Legion Hall on Ida Ave. in Antioch on September 26, starting at 7 p.m.

GARDEN CLUB TO PLAN FOR "CHRISTMAS IN OCT."

The Antioch Garden Club will meet Monday, Sept. 25, at 10 a.m. at the Antioch Savings & Loan community room. Members are asked to bring a sandwich.

There will be a workshop to prepare for the Christmas Flower Show. To be held October 27 and 28, it will be called "Christmas in October."

FORMER RESIDENTS VISIT FRIENDS

Mr. and Mrs. William Munch, Chicago, former residents of Lake Shangri-La, spent several days at the Carl Ender residence at Petite Lake. While in Antioch they visited many friends and former neighbors at Lake Shangri-La.

Completes Course in Diamond Setting

George Hahn, owner of the Hahn Jewelry Store in Antioch, graduated recently from a diamond setting course at the Gemological Institute of America, held in Chicago.

Mr. Hahn in 1962 graduated from a course in diamond grading and appraising. He has many mountings, pendants and other pieces of jewelry in his shop to give customers a selection of settings for their diamonds when they wish to bring their jewelry up to date.

In 1956, Mr. Hahn attended the watch making school at Bradley University. In addition to a complete stock of jewelry items, Mr. Hahn says most work in jewelry and watch repair is done in three to five days. Engraving will be done the same day.

Hahn's Jewelry is now stocked with a complete new line of items suitable for Christmas gifts.

Social Notes

By Del Jahneke

Mr. and Mrs. A. F. Boehm and their daughter, Mrs. M. Reynolds of Alexandria, Virginia, spent a few days last week visiting with Mrs. Joseph Rhymer, Antioch. The Boehms and Mrs. Reynolds also visited many friends and relatives in this area, as they are former residents of Lake Villa. Mr. and Mrs. Robert Jackson and Mrs. Dortha Chapp were dinner guests of Mrs. Rhymer on Friday. Mr. and Mrs. Jackson left Antioch on Sunday, enroute to Arizona and California. They will make their future home in one of these two states.

The Bernard Stadick family of Antioch, in company with four other families from the Waukegan area, attended a "Wisconsin Bow Hunter (WBW) 'Broadhead Shoot'" this past weekend, held at the Necedah Wildlife Refuge, Necedah, Wis. They enjoyed a chicken barbecue, a dance and other entertainment, as well as the shoot.

Walter Zimmer of Rolling Meadows, grandson of Mr. and Mrs. Alex Hoffman, Grass Lake, enlisted in the U. S. Air Force, and is now stationed at the Lackland Air Force Base in Texas. The Hoffmans will be entertained at the home of Mr. and Mrs. Russell Harverson, Grass Lake, when they "host" their "Neighborhood Club" on Saturday, Sept. 23.

Mr. and Mrs. Lester Zitkus and Mr. and Mrs. Ronald Vos were among the 150 guests of the Carpenter's Union Smorgasbord and dance party, held at the J-M Club in Waukegan Saturday, Sept. 23. Mrs. Vos was fortunate in winning one of the prizes, a nice carving knife.

The Ed Jahneke, Sr., the Ed Jahneke, Jr., family, the Robert H. Dunlap, Jr., family, all of Antioch, and the Phil Warren family of Downer's Grove, were dinner guests of Mr. and Mrs. Edward Haase, Winnetka, recently. The Haases have sold their home in Winnetka, and have purchased a condominium in Sarasota, Fla. Mr. Haase is Mrs. Jahneke's uncle.

The weather bureau is a non-prophet agency.

George W. Ryerson

Henry G. Harper

Names Two To Ni-Gas Executive Positions

Marvin Chandler, chairman and president of Northern Illinois Gas Company, has announced two Ni-Gas executive changes.

George W. Ryerson, in addition to his duties as company secretary, will be assistant to the chairman and president, reporting to Chandler. He will also serve as one of five trustees who administer the utility's pension fund.

Henry G. Harper will be the company's new vice-president—public relations, succeeding Charles F. Hennessy who retired recently. Harper was formerly vice-president—marketing for the Iowa Power and Light Company, Des Moines.

Ryerson, who holds degrees from Yale and Northwestern universities, has been associated with Ni-Gas and its predecessor companies since 1931. He has served as secretary since Ni-Gas was formed in 1954. He is a member of the American Society of Corporate Secretaries and a past president of the Chicago Regional chapter. Ryerson holds membership in numerous other professional and civic organizations. He is presently serving on Northwestern University's corporate gift committee.

The Ryersons reside on White Thorn Road in Wayne. Harper has a B.A. degree from the University of California, Los Angeles, and also completed the executive program of its Graduate School of Business Administration. Before joining Iowa Power

NROTC Test Now Available

Applications for the Navy's twenty-second annual Regular NROTC qualification test are now available, according to E. L. Kurek, guidance director at the Antioch High School. This nationwide examination will be given on December 9 and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interviews, medical examinations, and other factors, Mr. Kurek explained, over 1,700 young men will enter the Regular NROTC Program as midshipmen at NROTC units in 52 colleges and universities throughout the nation. Male citizens of the United States who will be at least 17 but not yet 21 on June 30, 1968, and who are now high school seniors or graduates, may be eligible to apply for the test. Those who attain qualifying scores will be interviewed and given medical examinations next January and February.

A successful candidate receives financial aid for four years of college. This includes tuition and educational fees; books, uniforms, and \$50.00 per month subsistence allowance. After successfully completing baccalaureate degree requirements and naval training, graduates are commissioned as officers in the U. S. Navy or Marine Corps.

Regular NROTC midshipmen participate in three summer at-sea training periods with various naval units. These periods assist them in learning about the variety of interesting and challenging opportunities available to them as naval or marine corps officers.

Registrations for the test will close November 7, 1968. NROTC Bulletins containing eligibility requirements and qualifying test applications are available from Mr. Kurek or the U. S. Navy Recruiting Station in Chicago.

Dairymen Form Standby Pool

The most important development in the dairy industry since the Federal milk market order program was launched 34 years ago has been inaugurated by Associated Dairymen, Inc., with the establishment of a standby pool, effective Sept. 1.

Avery A. Vose, President of Associated Dairymen, said the standby pool will provide a daily market for about 1 1/2 million pounds of Minnesota and Wisconsin Grade A milk from dairy plants which have not been participating in any Federal market order pool.

The standby pool, Vose said is a plan for marketing milk through which dairy farmer cooperatives on 25 fluid milk markets, including Chicago, will contribute a price premium to the patrons of Grade A plants which are not participating in a market order pool. In return for this, the unpooled plants will make their Grade A milk available to these markets in periods of short supply.

He said the standby pool was made possible through the support of the dairy farmer cooperative members of Associated Dairymen, an organization whose membership extends from Minnesota and Wisconsin to Texas and from Indiana to Colorado.

"The standby pool is a big step forward for dairy farmers because it will provide more orderly marketing of milk throughout the Midwest and southwest," Vose declared.

Harold S. Nelson, San Antonio, Texas, general manager of Associated Dairymen, said contracts for this history-making event were signed Tuesday, Sept. 5, between Associated Dairymen and the

plants supplying milk for the standby pool.

Nelson said that nine dairy farmer cooperatives from this midwestern area signed the contracts.

They are Pure Milk Association, Chicago; Twin City Milk Producers Association, St. Paul, Minn., and the following Wisconsin-based cooperatives: Alto Cooperative Creamery Co., Waupun; Antigo Milk Products Cooperative, Antigo; Consolidated Badger Cooperative, Shawano; Lake to Lake Dairy Cooperative, Sheboygan; Madison Milk Producers Cooperative Dairy, Madison; Outagamie Producers Cooperative, Black Creek; and Wisconsin Dairies Cooperative, Union Center.

Nelson said the standby pool will assure milk for consumers on the 25 markets in periods of short supply and improve markets for dairy farmers.

901 Main St. Antioch

Public To Get Help With Zip Codes

Postmaster Joseph Wolf reported today that Postal Services Day, September 22, will highlight those services offered to the community by the local post office.

On Postal Services Day, letter carriers will begin delivering to every household a kit of eight postal cards which can be mailed back to the post office to obtain the ZIP Codes for "zipless" addresses.

Each completed card will be sent to the post office which services the address needing a ZIP Code. There the proper five digit numbers will be added before the form is returned to the sender.

No postage will be needed on the cards.

Postal Service Day activities will be designed to point out that the Post Office Department is the one Federal government agency that comes in closest contact with the public on a day-in-day-out basis.

The postal service is the prime artery of commerce and the tie that binds friends and loved ones across the miles. It is one of the biggest businesses in the world with interests ranging from sweat-

ing in Peace Corps volunteers to watching out for forest fires, and it is the main shipping agency for everything from bees to baby chicks.

"Delivery of the ZIP-A-LIST kit during the celebration of Postal Services Day is in keeping with the event," Mr. Wolf said. "ZIP Code is the key to better service and we want to make it as easy as possible to obtain the codes needed to fill out personal mailing lists."

Each of the eight postal cards in the kit will contain a message encouraging the general use of ZIP Code. There will be a ninth card of instructions. All will be folded together like a closed accordion. There will be perforations between each form. In addition, another separate card will be delivered along with the kit which is a reminder of the local ZIP Code.

"Last year approximately 3,000 addresses were ZIP Coded by the Antioch Post Office as part of a similar program using only one (or two) cards with spaces for as many as 13 addresses," Postmaster Wolf said.

Nationally, about eight addresses per card were return-

ed during the 1966 project. The unit cost of entering the code onto each card will be less than the system used in 1966 because no look-up will be necessary. Every card in the final post office will need the same code, so an inexperienced clerk will be able to simply stamp it on the card and send the form on its return journey.

On an average day, between 175 and 250 million pieces of mail enter the postal system. It is not expected that more than 10 million of the ZIP-A-LIST cards will be in the system at any one time during the peak periods of mailing. Since they will be handled essentially as ordinary postal cards, there will be no burden or dislocation of service.

"The ultimate result will be an improvement in service," Postmaster General Lawrence F. O'Brien has said about the project. "ZIP Code is the base upon which the modern postal service is being built. But, it won't work and the modernization and efficiencies ZIP Code will bring cannot go into effect until there is more widespread usage of the five-number code."

"The ZIP-A-LIST project is the most dramatic aspect of our continuing campaign to make ZIP Codes readily available to the public."

Last year, approximately 17 per cent of the nation's

THE ANTIOCH NEWS 5 THURSDAY, SEPT. 27, 1967

householders returned 98 million addresses for coding. The Postmaster General reported that many postmasters had informed the Department that the ZIP-A-LIST project was an important aspect in making Christmas mailers aware of the importance of using the codes on their holiday mail and, as an off-shoot, encouraged early mailing of their gifts and cards. This resulted in the most successful holiday season in recent postal history. Extra kits will be available at the post office.

Sequoits Edge Salem In Season's 1st Tilt

The Sequoits won their first football game of the season, a non-conference tilt with Salem Central, by one point. The final score was 14-13.

This was the second game this season that Salem had lost by one point. Their game the previous Saturday with Jefferson High ended with Salem on the losing end of a 13-12 score.

Touchdowns were scored for Antioch by Gregg Drije, 176 lb. senior quarterback, and Larry Davis, 175 lb. senior halfback. Drije's touchdown came in the second quarter, on a play set up on Salem's 12-yard line. Antioch apparently set up for a field goal attempt at that point, and Drije grabbed the ball and ran it across Salem's goal line. Don Effinger kicked the extra point.

Salem scored in the third quarter, on a pass from Bruce Johnson to Dean Antes from the 17 yard line. Jim Badtke kicked the extra point, and the score was tied.

Larry Davis put Antioch ahead again with a 68 yard run for a touchdown from Antioch's 32 yard line. Don Effinger again kicked the extra point.

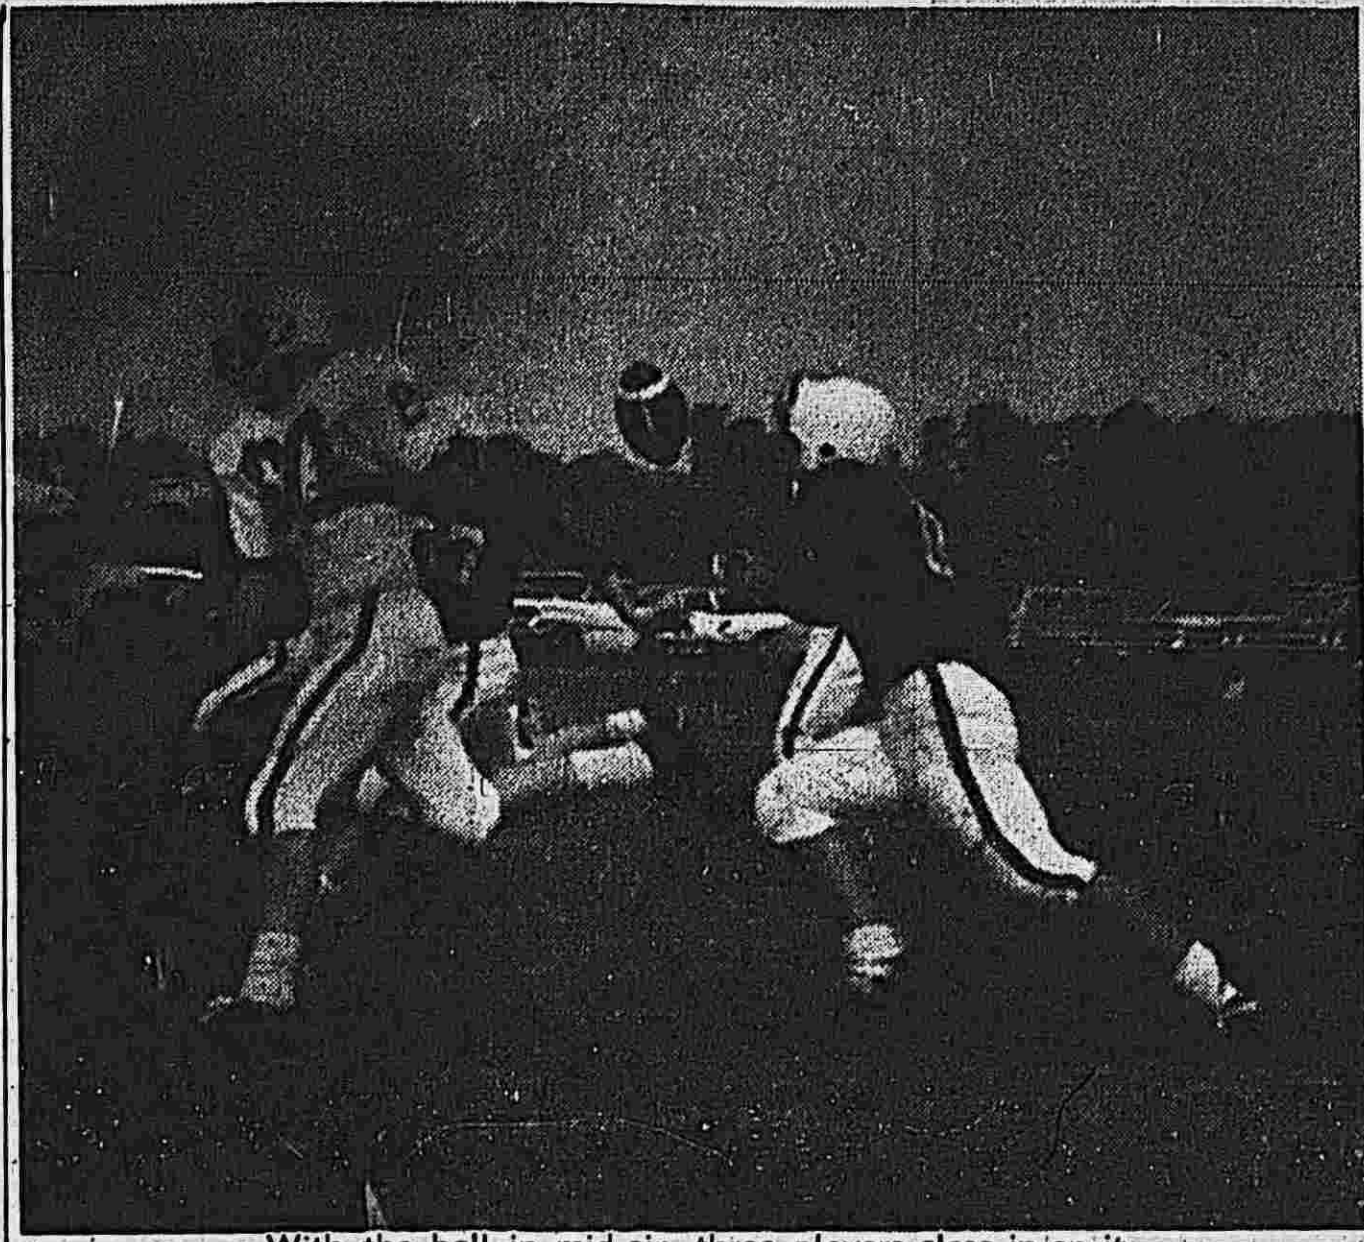

Salem's final TD came in the fourth quarter on a quarterback sneak by Bruce Johnson. The kick for the extra point failed, and the game ended, Antioch 14, Salem 13.

Antioch gained 154 yards, and lost 80 yard through penalties. "We like to be hospitable, and treat guest teams well, but this is overdoing it," Coach Nelson commented. "Maybe it was the heat, maybe the boys were

overeager, but we sure can't afford to give away this kind of yardage." Salem was penalized for a total of 50 yards. Larry Davis was Antioch's leading ground-gainer, with 90 yards gained on five carries. Zanek gained 6 yards, Meyer four yards and Garnett two yards.

"Don Effinger's punting made a big difference," Nelson said. "Antioch finally has a boy that can kick and we intend to make full use of him. Jim Shore did a fine job. He had eight clean tackles and seventeen assists, and he intercepted a pass. Dan Smith did a good job, too, with six tackles. Mazer had 14 tackles and four assists, and Karl Jennerich 8 tackles and one assist. And Karl recovered a fumble."

Antioch will meet Lake Zurich at the Antioch field next Saturday, Sept. 23, with the sophomore game starting at noon.

With the ball in mid-air, three players close in on it.

Rifles Lose Star Quarterback

The Lake County Rifles preserved their first place standing in the Southern Division race of the Central States Football League by playing their arch rivals, the Racine Raiders to a 7-7 tie. This was the second tie game in three weeks for the Rifles who have yet to lose a game this season.

It was probably their most costly encounter in three years. Rifle quarterback Lew Flinn, the league's leading passer and MVP in 1966, was sidelined with a dislocated shoulder, for the remainder of the season. His signal-calling duties were taken over by Rifle head coach Gene Cichowski who brought Lake County from a seven point halftime deficit to gain the tie. Cichowski connected on a 16-yard pass play with flanker Warren Nicholas on the third quarter for Lake County's only tally of the night. Wayne Miller's conversion was good.

Despite the loss of Flinn, Lake County dominated the passing statistics with 114 yards gained through the air, 89 by Flinn, 35 by Cichowski. Warren Nicholas was Lake County's leading receiver with 6 catches for 58 yards. Bill Bodle caught three tosses for 55 yards and the league's leading receiver, and scorer, Angelo Dabiero

had one reception for one yard.

Flinn had six completions in 13 attempts; Cichowski four in 11 tries. Both quarterbacks threw two interceptions. On the ground Lake County amassed 173 yards. Bill Bodle had 97 yards in 21 carries; Cichowski had 49 yards in 10 tries; Kenny Johnson had 22 yards in 9 carries, and Maurice Guins six yards in four tries.

Racine amassed 66 yards in the air, 102 on the ground. The Raider tally came on a 22 yard pass from quarterback Tom Boscwitz to flanker Ron Anton.

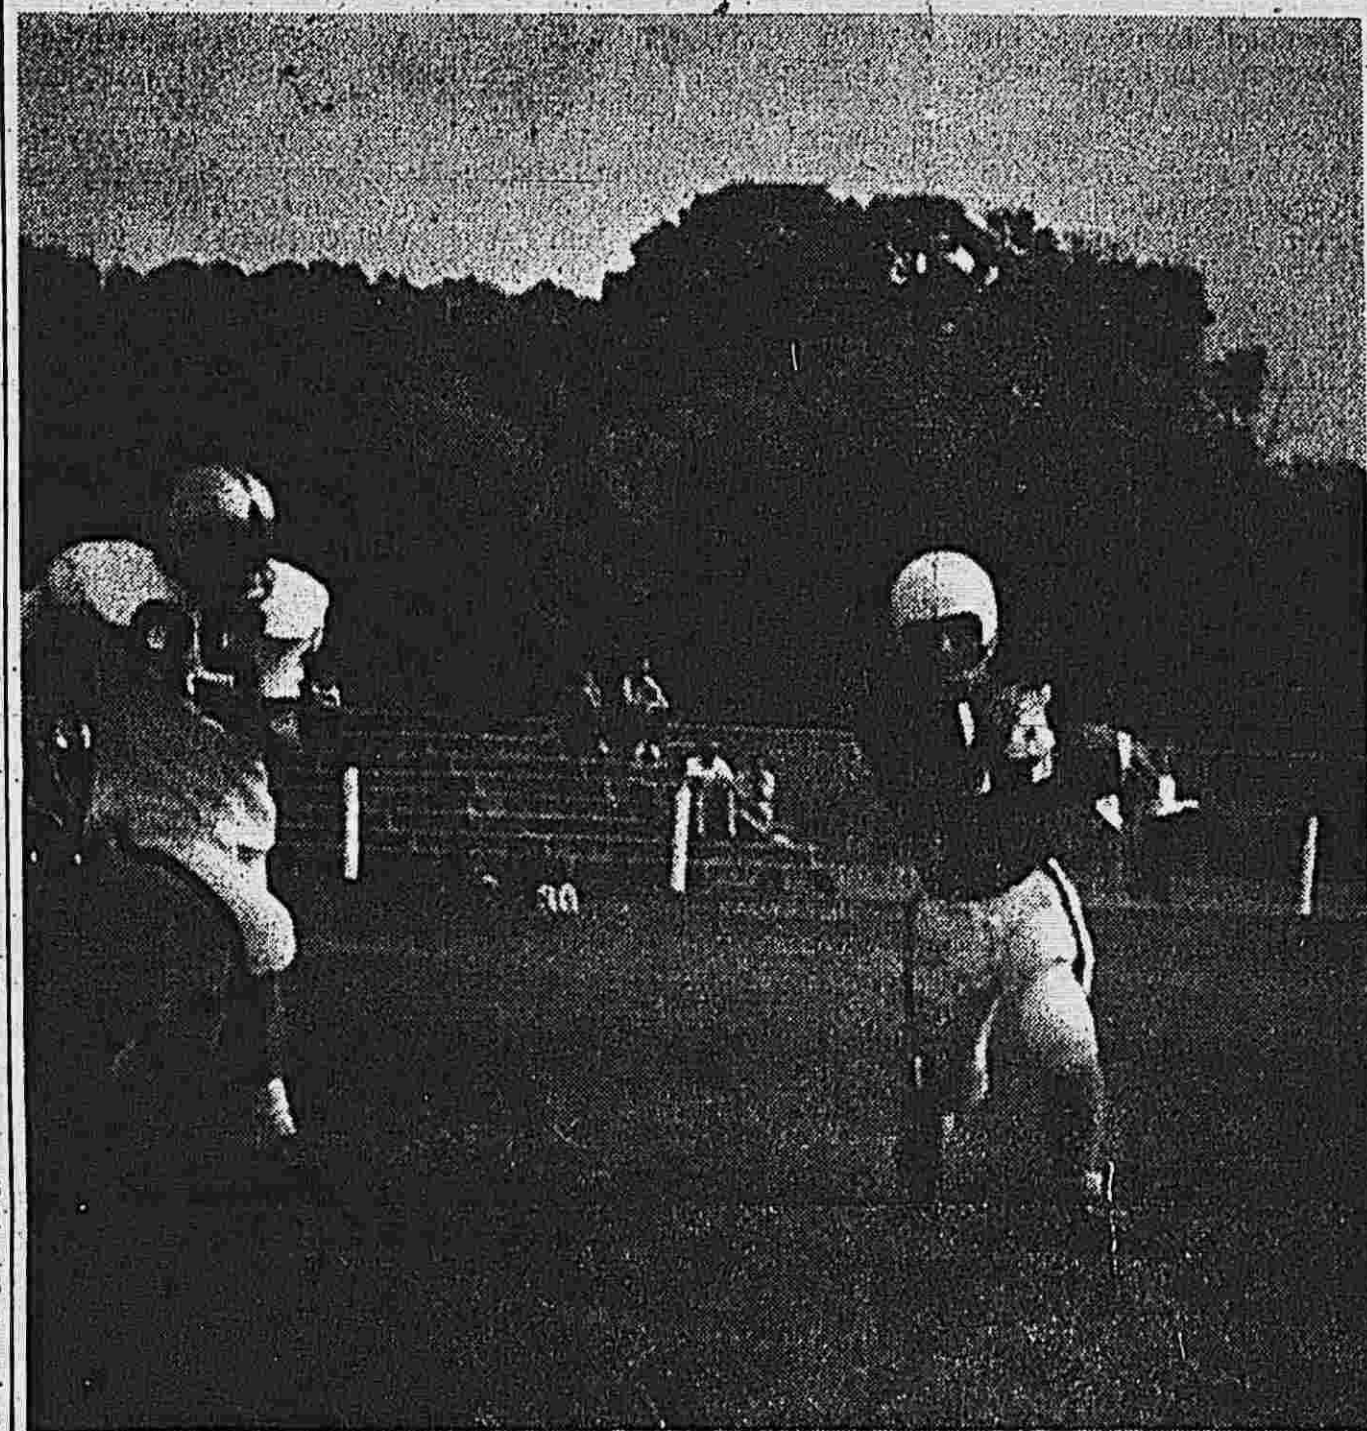

Other CFL action: Manitowish Chiefs 16; Madison Mustangs 13. West Allis 32; Sheboygan 14. Arlington 57; Delavan 0.

The Lake County Rifles travel to Delavan next Saturday night to meet the Red Devils for the first time.

TO OPEN SEASON SAT.

Junior and Prep Youths Bowlers will start the ball rolling this week on Saturday, Sept. 23. The Juniors will start at 10:30 a.m., the Preps at 1 p.m.

The younger children, Bantam Bowlers, will start the following Saturday, Sept. 30, at 1 p.m. Registration will be open up to starting time.

Sequoit quarterback Ralph Zanek heads down the field with the ball with Salem's Andy Hewitt racing to cut him off. Zanek was driven out of bounds by the pursuing Falcons.

Jr. Sequoits Trounce Salem

The Junior Sequoits started their grid season by trouncing Salem Central's soph squad, 25-7. The sophomores kept Salem from scoring until the fourth quarter, while piling up four touchdowns of their own.

Kevin O'Neill started the young Sequoits scoring with a touchdown in the first quarter on a 2-yard run, after the Antioch sophs had brought the ball downfield from their own 22-yard line.

O'Neill passed to Rick Nelson for the second TD in the second quarter. The drive to the goal started on Antioch's 37 yard line. O'Neill threw a 25-yard pass, and the PAT as good as a pass from Nielsen to O'Neill.

Louis Nielsen went over Salem's goal line on a keep play from the 7-yard line for the third touchdown.

Salem's lone touchdown came in the fourth quarter on a 32-yard run by Salem's No. 15. Coach Andy Hauptman, delighted with the performance of his team, said, "After viewing the game, I think this could be one of the finest underdog freshman teams that I've ever coached. We lost several key men—a quarterback, four ends, two halfbacks, the two fastest in the class. Three of the best linemen from last year's freshman team are walking the halls. In spite of the losses, we have size and some speed."

"Two things we lack," Coach Hauptman continued, "experience and meanness. If we improve the latter, this team may surprise a lot of people."

"I thought the execution of the running plays was extremely good under the circumstances," Hauptman said.

"For the entire ball game there were only two miscues and quick thinking by the quarterback corrected the error."

Hauptman said he feels there are no stars on this team. No one individual was the key to Saturday's outstanding victory—it had to be primarily a team effort. "I would say, though, that Louie Nielsen, not having played a game at quarterback since he reported as a freshman, did a commendable job," Hauptman commented.

"Our weak points are poor blocking by the line and the lack of a pass defense," Hauptman said. "I felt the key play Saturday was the pass from Kevin O'Neill to Rick Nelson, that gave us touchdowns back to back."

Coach Hauptman feels the Antioch sophs have the advantage in the game coming up Saturday with Lake Zurich. "We have one decisive win, that gives us an edge," Hauptman said. "Saturday's game should be another victory for the Sophs."

LAST TEAL SEASON

The teal season—the last—opened Saturday, Sept. 16, and ends on Sunday, Sept. 24. A valid Illinois hunting license is required for teal hunting and anyone 16 years old or older must have a 1967 migratory waterfowl hunting stamp in his possession.

"This is the last year for the special teal season," William T. Lodge, director of the Illinois Department of Conservation, said. "Whether or not we have future teal seasons may well depend on the hunters' ability to identify ducks in flight and refrain from killing the wrong bird."

News of Lakes Sports

THURSDAY, SEPT. 21, 1967 THE ANTIOCH NEWS 7

Otto Takes Season's Modified Title

Don Score of West Allis finished second and third in the two 40-lap events making up the second Annual Norm Nelson Championship Race at the Lake Geneva Speed Center and accumulated enough points to be declared the overall winner. He received a trophy and his name will be added to that of Jim Lawrence who won the event last year.

Roger Otto of Burlington, while being blanked from the win column all night, did manage a splendid battle with Duane Harris, the defending 1966 Champion, and went on to win the modified stock car driving title for 1967.

Bill Bohn of Kenosha wound up second in season point standings and Harris third. Bohn won the first 40-lap run of the Nelson Race. Duane Harris won the second 40-lapper but really had a battle on his hands with Otto. Harris had to take the lead three different times from Otto before claiming the Checkered flag at the end.

Jim Sullivan of Antioch set fast time but only finished 12th in the first half and 12th in the second. He was involved in a turn crash in the first one and while he led the second half, spun out after being passed by Harris.

In addition to the switching position battle between Otto and Harris in the second half of the Nelson race, Tom Anderson and Don Score were running very close in third and fourth. Just behind them was another tight one between Ron Bergsma and Claude Potter. Potter finally took the fifth spot when

Bergsma had to drop out with rear end problems on the 38th lap. He finished 10th in the second half then after being third in the first race.

Don Score also won an earlier heat race that was a real thriller as he edged out Claude Potter by inches at the finish line. Tom Anderson was third, less than a car length behind.

Ken Monroe and Bill Bohn also won heat races and Ray Dobbs won not only a heat race but the semi-feature race as well. Paul Cameron of Round Lake had a second place finish in the heat won by Dobbs and was doing well running in the second spot of the semi-feature until his brother running on a flat front tire caused him to hit the wall.

Rolf Tillman of Woodstock won the late model feature race and beat out a late drive by Bruce Johnson. Peter Seitz, Harv Dunbar, Rick Schuyler and Gary Drews rounded the top order in this one.

The race on Saturday night will again be modified, late models and Spectator Stocks with the late models running a 40' lap Championship race.

Jarrett Top Shot At Annual Picnic

By Harry Stern

The McHenry Sportsmen's Club crowned Roy Jarrett, Grayslake, the 1967 Club Champion, Sunday at their annual picnic, in a hotly contested event which wound up in a three-way tie, necessitating a shoot-out. At the half-way mark there were seven 25 straights, plus six

(Continued on following page)

Firemen and the Rescue Squad receive checks from the Beat the Champs bowling tournament. Left to right, league secretary Bruce Dalgaard, former Fire Chief Edgar Simonsen, and Rescue Squad member Bob Wilton.

Civic Groups Benefit From Tournament

The Antioch Rescue Squad and the Antioch Fire Department funds received a financial boost from area bowlers last week. Checks for \$67.86 were presented to each of these worthwhile organizations.

The funds were receipts from the entry of area bowlers in the annual Beat the Champ tournament. The Sun-Times runs the contest each year. A high percentage of the entry fees from each bowling alley is returned to the house, to be donated to any worthwhile organization chosen by the proprietor. Jack Sampayo designated the Rescue Squad and Fire Dept. as recipients of this year's proceeds.

The checks were presented to representatives of the organization by Bruce Dalgaard, the bowling league secretary with the longest record of service. Bruce has been secretary-treasurer of the Thursday Businessmen's league for 25 years. He has bowled on the Carey Electric Shop team for the same number of years.

The Thursday league bowled in the alleys on Main St. in Antioch when Bruce join-

ed the team. There were 12 teams in the league and they bowled in two shifts, one starting at 7 p.m. the other at 9 p.m.

There are still 12 teams in the league, bowling at 7 p.m. Thursday. And Bruce is still secretary-treasurer of the league.

Top scorers in all the women's bowling leagues for last season receive trophies for their record from the State Bank of Antioch. Left to right, Jane Hartman, for her high game of 278; Curly Wertz, high series, 643, and Preston Reckers, Jr.

High Scores Win Awards

Two women bowlers received their trophies last week for high game and high series at the Antioch Bowl last season.

The trophies, awarded each year by the State Bank of Antioch, go to the men and women who roll high game and high series in league play over the season. Jane Hartman won the women's award for high game with her 278 game. Curly Wertz rolled high series for the season, a smashing 643. Both women had their high scores in the Monday night Ladies Classic league.

The men were not present to receive their awards. Harry Shank and Terry Parker were the two male winners. Harry's high series of 653 and Terry's high game of 278 topped all the men's scores at the Antioch Bowl.

Top bridge players in the consolation round of the Lions Bridge tournament were presented with a trophy at the Lions Club Dinner last week. Left to right, Francis Reeder, Elaine Wojnowiak, Preston Reckers, Jr.

Jarrell Top Shot.....

(Continued from preceding page)
24's in contention for first place. Most fell by the wayside as the competition tightened.

There were seven ties for class B; four ties for class C; four for class D and two for class E.

Betty Van Den Berge, Mundelein, captured the ladies crown with some crisp shooting, while Robert Heywood, Antioch, romped home with the senior cup. Paul Manz, Fox Lake, outdistanced all of his competition in the junior class by going "25 straight," a first for him.

The list of winners in all classes:

Championship — 1st Roy Jarrell, Grayslake; 2nd—Wayne Dyer, Antioch; 3rd Joe Kostelac, Round Lake Park.

Class B—1st Harry Stern, Antioch; 2nd—Jim Carlson, Antioch; 3rd Delbert Huhn, Ingleside.

Class C—1st Edward Bozek, Chicago; 2nd Richard Ragni, Crystal Lake; 3rd, L. Pitzer.

Class D—1st Pete Smeasert, DesPlaines; 2nd Don Milnac, Woodstock; 3rd Ron Turner, Gurnee.

Class E—1st C. Ragni, Crystal Lake; 2nd Edward Brady, Lake Villa; 3rd Thomas Allan, Lake Forest.

Ladies—1st Betty Van Den Berge, Mundelein.

Junior—Paul Manz, Fox Lake.

Senior—Robert Heywood, Antioch.

Low Gun—Otis Baumgarten—Prairie View.

Edward Brady, Lake Villa, was the lucky winner of the Jopat home-cured ham.

While all this was going on, club members and their families devoured 295 Jopat tender-aged steaks and 120 hot dogs, fifty pounds of potato salad, 47 pounds baked beans, plus all the trimmings of a Royal American feast.

With the championship shoot out of the way, the club will inaugurate the new shooting season with a Hunter's Warm-up Shoot on Sunday, September 24th at 11 a.m., with Jopat steaks and young finger-licking type chickens as the reward for participating shot-gunners.

The club will adhere to its established practice of staging contests in which all

classes of shooters, whether good, fair or poor, can share equally in the prizes, with such events as the Ill.-Lo. Triple and Quintuple White Bird shoots. For the expert gunners, the usual high score shoots will be on the day's card, as will the fun type Protection and Annie Oakley shoots. Practice shooting, too.

The club will continue to pay \$2 for 25 Straights at the Saturday practice sessions which run from 1 to 4 p.m. Shells and hot refreshments will be on tap all day long in the warm clubhouse, located on the west side of Pistakee Bay. From the east the route is west on Illinois 134 Big Hollow Road to its western terminus, then a right turn for one-half mile. From the west go through Johnsburg across the Fox River to Adams Repair Shop, then a left turn to the "Y" and another left, one-half mile. From McHenry it is north on Chapel Hill Road to Adams Shop, then a right turn to the "Y" and, a left.

Member of Civic Campaigns Comm.

James G. Murphy of Rural Route 2, Lake Villa, has been appointed a member of the Civic Campaigns Committee at Commonwealth Edison Company.

He has been named assistant co-chairman of the subcommittee which will solicit contributions from the employees at Edison's Waukegan headquarters during the Crusade of Mercy campaign. The fund drive will be conducted in all of the electric company's divisions during September and October.

BOATING LAWS IN EFFECT

All the new regulations contained in the Illinois Boat and Safety Act will be strictly enforced starting Friday, Sept. 15, William T. Lodge, director of the Illinois Department of Conservation, announced.

Two important provisions require that sailboats over 12 feet long be registered and numbered and that the operator of any water craft must have at least one U. S. Coast Guard approved lifesaving device on board for each passenger.

Two-Time Winner In Fishing Contest

George Kraymer of McHenry, defending champion and also 1964 winner, will be out for an unprecedented third win in the Illinois individual fishing championship on Channel Lake and Lake Catherine Sunday, Sept. 24.

Kraymer was seeded into the final fishoff because of his titles, along with five other previous champions. They are Bill Hoffmann of Evanston (1960); Harold Smiley of Mundelein (1961); Don Nichols of LaGrange Park (1962); Lewis Simon of Antioch (1963); and Tony Valengo of Fox Lake (1965).

In addition to the seven precious champions, there will be at least 35 other anglers in the finals field, all of whom had to qualify for the final fishoff. Through Sunday, Sept. 17, 19 anglers gained the finals through the first seven of the 13-day qualifying period. Qualifying was to continue this week ending on Saturday, Sept. 23.

Sixteen more anglers were scheduled to qualify during the second and final week of qualifying. All resident Illinois anglers, 16 years or older, who possess valid fishing licenses are eligible to compete. During the qualifying, fishing will be done from 6 a.m. to 6:30 p.m., but contestants may come out any

time and start fishing.

Before going out on the contest waters, however, they are asked to register at Channel Lake Boat House with Barney Shunneson. Channel Lake Boat House is located at the south end of Channel Lake at the northeast side at the foot of the Illinois highway bridge.

In addition to receiving a trophy from Shunneson, the 1967 state champion also will win an all-expense-paid trip to compete in the World Series of Fresh Water Fishing on Long Lake, near Spooner, Wis., October 14-15, where Bobby Schmidt's resort will serve as host and headquarters for the big meet.

The qualifiers thus far through Sunday, Sept. 17:

Monday, Sept. 11—Ed Rakosnik, Jr., 2827 S. Avers ave., Chicago. Tuesday, Jim Turner, 722 Highland ave., Oak Park; Wednesday, Don Kvistad, 328 E. Parkside dr., Northlake; Lou Dupre, 108 158th Place, Calumet City; Ed Pfingsten, 1111 Maryland, Lawe Villa. Thursday—Richard Langlois, 1111 W. Maude St., Arlington Heights; Ray Marvin, Danata Farms, Wheaton. Friday—Bob Lang 608 Hunt, Ingleside; Ray Svoboda, Rt. 4, Box 161, Antioch. Saturday, Larry

Siragusa To Address Conference

Charles Siragusa, executive director of the Illinois Crime Investigating Commission, will address a state-wide Conference on Respect for Law and Order September 26 in Peoria.

The all-day conference, sponsored by the Illinois State Chamber of Commerce will be held in the Hotel Pere Marquette. Siragusa, the luncheon speaker, will discuss "Building Respect for Law and Order."

Purpose of the conference is to encourage business leadership in establishing effective local community action programs designed to build respect for law and order.

Other speakers will describe model community action programs already at work throughout the country. They are: L. E. Kinnannon, chairman of the Law Enforcement Committee, Indianapolis Chamber of Commerce; Dr. Raymond P. Witte, president of the Police Foundation, New Orleans; and James W. Rutherford, chief of police, Flint, Michigan.

Conference chairman is George B. Peters, chairman of the State Chamber's Committee on Respect for Law and Order.

First Annual Golf Match For Doctor's Wives

Wives of the doctors of Lake County will take part in the first annual "AMA-ERF" Golf Tournament at Midlane Farm Country Club September 27.

Tee-off time is 9 a.m. The tournament is open to all wives of Lake County physicians. Funds raised by the tournament are donated to the American Medical Association's Education and Research Fund, which helps with the education of young medical students and provides funds for further medical research.

The "AMA-ERF" trophy will be awarded for low gross score. There will also be a luncheon and fashion show at the club.

For further information and registration, call Mrs. John Andrews at MA 3-7616 or Mrs. John Fahey, 234-8344.

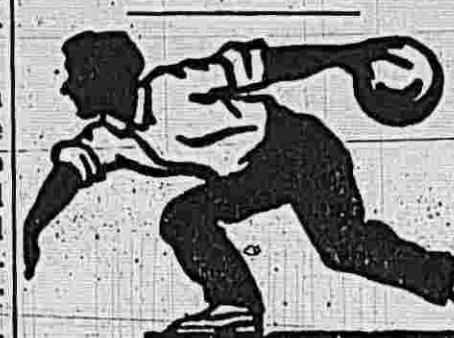

Never A Dull Moment for Mrs. P.

By Mrs. Bernice Bernau
So you think you have a "hard time." Consider Mrs. Pat Parpan. Within two weeks, her son Danny went through the glass in the storm door when the door was locked, requiring ten stitches to close the wound in his head where two veins were cut. Luckily Mrs. Parpan was home at the time and was able to drive the youngster to Dr. Laurich's office.

Another day, Brian fell off the roof and cut his foot, needing three stitches to close the cut. Then, Tommy fell and scraped all the skin off his nose while playing where a new house is going up. Mary Jo and Ray, Jr., are keeping their fingers crossed so that nothing happens to them.

Charlton, Rt. 6, Zion; Warner Langenstrass, 2518 Rose St., Franklin Park; Theodore Finger, 6201 Pingree Dr., Crystal Lake; Edward Ser-gott, 4722 S. Kilpatrick Ave., Chicago; Ken Karasek, 11051 Shaw, Westchester.

Sunday, Sept. 17—Arnold Elman, 4715 C. West Main, Skokie; Harry Prevenday, 2428 S. 21st Ave., Broadview; Henry Ilse, 1150 Harwood Dr., Libertyville; James C. Walker, 427 S. Jackson St., Waukegan.

Pontiac announces the great American sport for '68

Le Mans Hardtop Coupe

Wide-Tracking has never been farther removed from just plain ordinary driving. One look at our stylish '68 Pontiacs should tell you that. One ride will convince you!

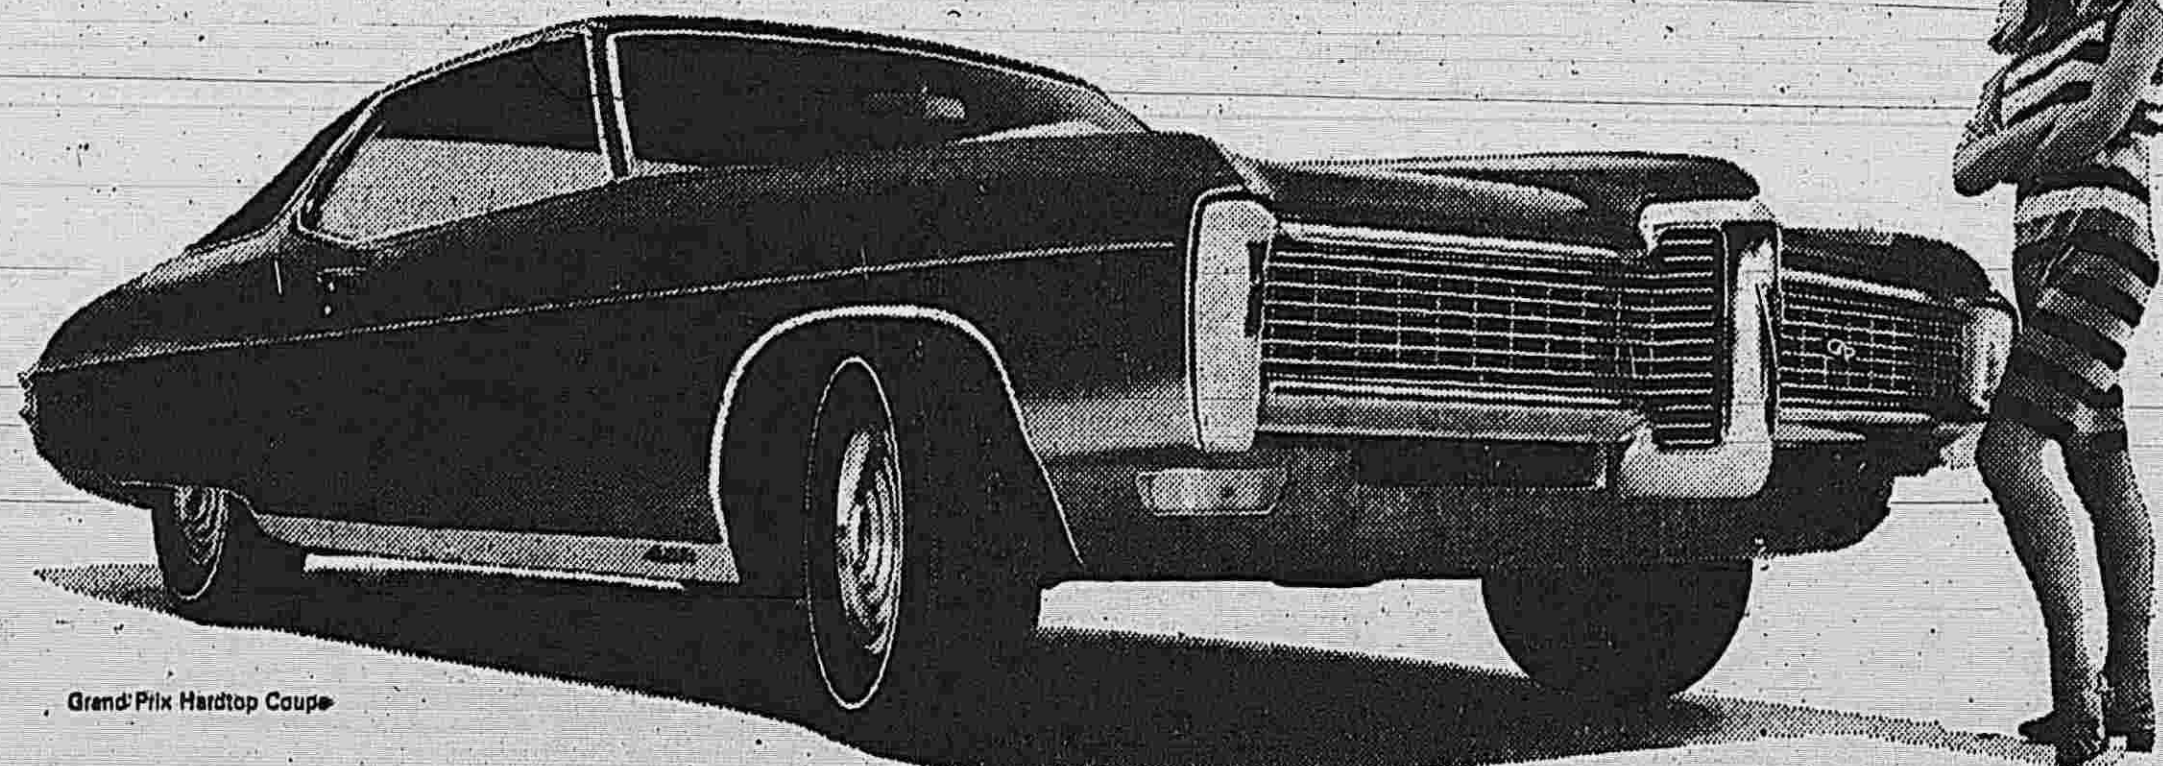

Our sporty new Tempests and Le Mans are new from the wheels up. There's a new 175-hp Overhead Cam Six. New sports car feel. Smoother ride. Superior stability and response. Disappearing windshield wipers on all GTOs and Le Mans. Even wider Wide-Track. And you can choose from two new regular- or premium-gas 350 cu. in. V-8s!

Our fabulous GTO boasts the nearest engineering innovation of the year—an exclusive revolutionary new bumper. It's the same lustrous color as the car. But it won't chip, fade

or corrode. And you won't believe what this bumper does—until you see it with your own eyes!

Naturally, our new Bonnevilles, Grand Prix, Catalinas, Executives and Venturas won't take a back seat to anyone! Especially with their bold new integral bumper-grilles that are nearly twice as strong as before. There's also new Wide-Track ride. Improved handling. Smoother engines. And more new features for your protection, like a buzzer that warns you when you forget your ignition key.

Isn't it about time you decided to give up plain ordinary driving? Don't fritter away another hour. See your Pontiac dealer today and start Wide-Tracking!

Who Finds All The Lost Mothers At A&P?

Don't believe we have lost mothers at A&P?

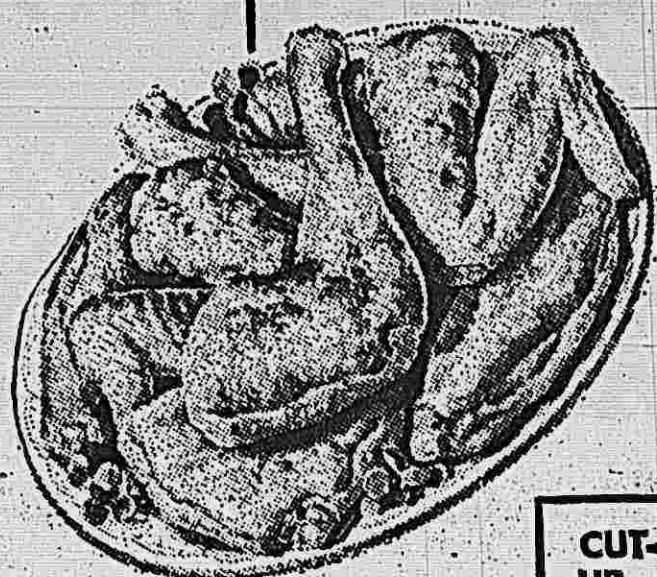

You would if you saw
a teary-cheeked tyke look up at a checker or clerk and say,
"My Mommy's lost."
Funny thing, children are never lost
—just their mommies are.
It happens every day.

We've had 106 years experience
finding "lost Mommies"
And we have a whole group of friendly people working at your A&P
who'll wipe away those tears
and round up that missing Mother.

That's the way we are at A&P
because we care about you...and yours.

Is this a good reason for shopping A&P?
It's one of many.
